Council Says Center To Be Built

JEFF HIGH SCHOOL ENROLLMENT UP TO OVER 900

Classes Open Sept. 11; Armed Forces Take 'Toll'

An enrollment in excess of 900 is expected at Jefferson High school when the doors are opened September 11 for another year's education.

Despite the fact that a number of the young men have reported for active service in the armed forces, the enrollment this year will be higher than last, Stanford Hannah, district superintendent, said.

Students entering Jefferson High for the first time are requested to register at the school September 6 and 7. This includes all pupils who are new residents in the district served by the high school.

School Day

The school day will follow the same plan that has been followed for a number of years. Classes start at 8:26 a.m. and end at 3 p.m.

Two lunch periods of 30 minutes are programmed as the cafeteria can not care for all the students

(Continued on Page 2)

HOW IT LOOKS FROM A CORNER

By BILL KATZ

Raccoon Tail:

The Frank Webb family, 48 Alexander, has decided to keep their San Francisco raccoon.

This momentous decision followed a score of telephone calls by raccoon experts in Daly City. The calls were prompted by an article we ran in the Daly City Record last week describing how Webb had found the little beasty wandering the streets of San Francisco and had brought him home.

Somehow over the week the senior Webb and his seven-year-old son Larry became so attached to the two-month-old menace that they refused to part company with their find. Beaten down by the two male members of the family, Mrs. Webb retreated from the raccoon

(Continued on Page 2)

450 Students Return To OLPH School Sept. 5

Opening one week ahead of the public schools, Our Lady of Perpetual Help school will be filled with the excited voices of 450 students September 5.

Again this year, many pupils had to be turned away as there is a lack of facilities to handle more than a few new students each year.

No immediate plans are being made to enlarge the school, although next month money is to be raised via the annual "carnival" to build a larger auditorium.

Catholic families interestd in enrolling their children in the school are asked to call PL 5-2377 for further information.

Civilian Defense To Be Part Of DC Schools Studies

School children in Daly City will be prepared in case of a military attack on the Peninsula, the county board of education said today.

This statement was based on a plan now being studied by a three-man committee to develop standardized techniques and practices for protecting children against A-bomb or other attacks.

Stanford Hannah, superintendent of Jefferson High school, is one of the three men on the committee which is headed by Henry C. Hall, assistant county school superintendent. Working with the two is George White, superintendent of schools in burlingame.

The school program will be coordinated with county civilian defense plans now being prepared by the county supervisors and the city of Daly City.

Hall said he has already organized the schools of the San Mateo Red Cross chapter area as emergency shelters for use in case of disaster.

"Although it is probable that these activities will not be necessary at this time, our schools are not going to be caught napping," Hall said.

DOUBLE SESSIONS RETURN TO ELEM. SCHOOLS SEPT. 11

One-third Classes To Be On 'Swing Shift'

Already overflowing with children, Jefferson elementary schools will open September 11 with an enrollment of 2,400, 300 higher than last year.

Until such time as voters see fit to build more schools (they will be given their chance September 29 in the school bond election), the district can handle the extra students only through double sessions, James Snell, superintendent of schools, said today.

Close to one-third of the 2,400 students will be in "swing shift" classes this fall, Snell said. Present plans call for the second and third grades at Jefferson, and all the classrooms at Garden Village and Crocker schools to be operating on double sessions.

"The situation is going to grow progressively worse unless the people pass the bond issue for 64 new

(Continued on Page 2)

Death Takes One Of Two Babies

Within two hours last Friday, Daly City police snatched one baby from death, but were unable to revive another. Both were suffering a similar type of illness.

Joan O'Neill, eight - week - old daughter of Mr. and Mrs. O'Neill, 41 Peoria, was pronounced dead at Junipero Serra hospital at 11:50 a.m.

Officer Ricco Benedetti attempted to save the child, but was unable to restore her breathing. Mrs. O'Neill called officers after she found her baby was turning blue, and having trouble breathing.

Just two hours before, Officer Henry Sundermann saved the life of 11-month-old Steve Talbot. Young Steve also had stopped breathing, but Sundermann was able to apply successful first aid until the child reached Junipero Serra hospital.

The son of Mr. and Mrs. James Talbot, 122 Santa Cruz avenue, like the O'Neill baby, was found unconcious in his bed by his mother.

Following treatment at the hospital, young Steve was returned home.

Labor Day

. . . . dedicated to the men and women of the United States . . . whose working hands provide our food, our clothing, our shelter, serve us in offices and shops, till the soil.

. . . . dedicated, too, to the principles of freedom and democracy they have worked and fought for . . . the high standard of living they have achieved and maintained . . . the prosperity that will be theirs, and ours, as long as there is free American labor.

Folk Dancing Fete To Mark Labor Day

Labor Day is to be celebrated in Daly City this year by an all-city Folk Dance festival.

Scene of the gala event will be the Jefferson High school athletic field from 1:30 to 5:30 p.m. September 4.

"An order has been put in for good weather, the grass will be cut close for dancing and a good time is promised all," Muriel Pabst, chairman for the day, said.

There will be a well-balanced program of square and folk dances designed for dancing by everyone from the beginner to the seasoned veteran.

In addition to exhibition dances by Daly City's own Calico Clickers, there will be featured the Folk Artists and the Crossroad Village Innsingers. These groups, under the direction of Grace Perryman and Grace West, respectively, will put on two dances.

Highlight of the day will be the surprise number from "South of the Mason-Dixon Line," put on by the aforesaid folk dancing clubs.

Five good square callers from the Bay area are to provide plenty of seasoned calling.

Other international dances will include such numbers as the Mexican waltz, Schudel Bux, Donello Tango, Windmueller, Tuljak and many others.

The Daly City Recreation department will provide three directors for supervised play, and there will be a dance circle for those children and teenagers who wish to dance.

A good deal of the work and preparation for the festival has been made by members of the Calico Clinkers. Mrs. Pabst, teacher for the group, will be on hand, as well as Roy Pabst as master of ceremonies.

Other Calico Clickers who have done a great deal of work on this project include Frankie Prisco, Larry Chadwick, Gene Prigmore, Pearl Cime and Myrt Curry.

Bleachers will provide good sitting room for the spectators, and no doubt they will want to join in the festivities.

DALY CITY FAMILY 'BACKS UP' MARINES

This is Jim Bricker, 17-year-old son of Mr. and Mrs. Fred Bricker, 313 Peoria, who is now in training with the Marines at Camp Pendleton, California. Only a few days before Jim left for camp his brother Leo, 18, also donned the Marine uniform and is now training at San Diego. This is one Daly City family that has augmented the power of the U. S. Marines twofold.

Two Bricker Sons Add To Marines' Fighting Power

Not one, but two sons of Mr. and Mrs. Fred J. Bricker, 313 Peoria, are now training with the U.S. Marine Corps.

Leo Antone Bricker, 18, is training at San Diego. He is a graduate of Jefferson High school (class of '50), and before entering the marines was employed by the PG&E.

In letters to his parents Leo writes that he would like to be remembered to his classmates and pals as well as the PG&E foreman, George Powers, and the "boys" at PG&E.

James (Jim) R. Bricker, 17, is now training at Camp Pendleton, but expects to be sent overseas in the very near future. He, too, was a Jefferson High student, and would like to be remembered to his teachers, classmates and pals, particularly Bruno Grenci, Taisto Pettimen, and the local "characters" at the Daly City Theatre.

One of the two lads' brothers, Fred Jr., is now employed as a typographical apprentice on the Daly City Record.

Other members of the Bricker family include: Frankie, Billy and Butch, who are students at OLPH school; sisters, Mesdames: "Jo" Murray, "Claire" Boicelli, Bebe Munoz, Florence Kerger, Frances Camilleri and little sister, Claudia M., who will go to Jefferson High school this semester.

"We are proud of our family, and especially our two boys in the Marines," Mrs. Bricker said today.

For Whom The School Bell Tolls . . . Why, Mom, It Tolls For Thee

By Isabelle Liberti

Tuesday, September 5, will be a busy day for a lot of people, but at Our Lady of Perpetual Help school it will be a day humming with activity.

On that day more than 400 sparkling, clean boys and girls will troop eagerly into school while mother will sigh with relief that these last hectic days of vacation have finally crawled by and junior is "back to school."

But for some fond mamas this will be a day tinged with sadness. If it happens to be Johnny or Mary's first day of school, what a time it is! Mom has scrubbed and scoured, pressed and cleaned—each hair has been adjusted twice, and finally the baby is off on this big aqventure.

Will he cry or will he trot off

(Continued on Page 2)

Costs May Go Up But So Will Building . . . On Modified Scale

Daly City is to have a Community Center, despite the fact that bids for construction of the building are close to 50 per cent higher than expected.

In a statement issued today, Mayor Paul Green said that through various revision of architect Mario Ciampi's plans it will be possible to construct the building at somewhere near the original $277,000 estimate. The lowest bid received last week was from Ira Larsen Company for $412,000.

Monday night the council decided to change the plans, reject all bids, and call for new bids based on the revised plans as soon as possible.

The exact nature of the changes in the Community Center will be announced at a special meeting of the council tonight, August 31. The new plans will be based on a review of construction features by Ciampi and an analysis of the financial picture by the council.

Following is the statement issued today by Mayor Green:

"The council decided to eliminate all but essential features of the building, revising the landscaping, heating and other items in the structure without materially affecting basic construction or appearance of the building, which has been recognized as one of the most beautiful public buildings planned locally in recent years.

"At the same time, the council decided to pay for some of the items of equipment in the building from current revenues, adding to the amount already allocated from a September, 1949 bond issue.

"Wild price raises and anticipated material shortages as a result of the Korean war picture were blamed for the higher prices reflected in the bids received last week for the structure.

"Meanwhile, work was proceeding at Marchbanks Park and Edgewood Park, where walls, walks, paving and landscaping were being installed to create outdoor recreational facilities. The park program is also financed by the September, 1949 bond issue. Three other parks are in the planning stage."

"Ice Cream Land" Will Have Features To Entertain And Satisfy All Ages

"Ice Cream Land" swings open its doors at 2159 Junipero Serra boulevard on Saturday, September 2, with a variety of "palate pleasers" which will satisfy the most discriminating tastes, according to James M. Denny, the head man.

"But pushing out the portals is a secondary step in my business," asserted Jim, who has been in the ice cream field for a decade and directs the activities of two other branches in San Francisco.

"Today there are two types of frozen cream dispensers. One, the fellow who relies on his sign to attract patrons, and two, the man who conjures up a magnetizing program.

"For example, we will carry no less than 65 flavors, and when I say 65 flavors, I mean exactly that. There will be that many distinctive tastes and quantities of each.

"Next, we have arange of sundaes that run the gamut from 15 cents to $10 a plate. Yes, $10 for one sundae.

"It isn't wise for me to give out the ingredients of this high-priced item, but they are plenty. What's more, we never have had dissatisfaction registered by a purchaser.

"Again, there is the matter of tiny tots. To please them and their parents, we have decided to give every child up to six years old, accompanied by an adult, a free ice cream cone.

"That isn't an opening day policy. Instead, it will be a regular feature, and is proffered to cultivate the friendship of both parents and the extra small fry.

"Moreover, we have arranged to have a number of free deals, ranging all the way up from extras that go with purchases of ice cream from pints to gallons to cash awards.

"By the way, I should mention an offer that tickles the teen-agers. For fifty cents, one may have all the ice cream he or she can eat.

"Don't get the idea that we

(Continued on Page 2)

Talent Sought For Fiesta

Boys and girls, here is your opportunity to win a $100, $50 or $25 government savings bond and other valuable prizes.

These gifts will go to the winner of the Daly City talent show to be held September 6 at Jefferson High school. The winner of this show will represent Daly City at the San Mateo County fair September 13.

The Daly City contestant will be up against winners from South San Francisco and Brisbane.

Vocalists, dancers, instrumentalists and other talented performers will be welcome for the try-outs. The show is open, however, only to boys and girls 18, or under.

Those wishing to take part in the try-outs are requested to register at the Mayor's Office, City Hall, at any time during the week.

Stanford Classes Begin September 27

Classes open at Stanford for the fall quarter Wednesday, September 27, it was announced today.

The schedule for students who return to Stanford — and 1,110 freshmen coming for the first time —is as follows:

Friday and Saturday, September 22 and 23, testing and orientation of new students.

Monday and Tuesday, September 25 and 26, registration of new and old students.

Wednesday, September 27, classes begin.

Lions Club Calls For End Of Double Sessions

Members of the Daly City Lions Club this week went on record in favor of a "yes" vote for the school bond election to be held September 29.

The club also urged all other civic organizations, fraternal groups and clubs to support the measure to build 64 new classrooms in the Daly City area.

Meanwhile, all organizations in this area will be contacted by letter in the near future. The letter will request that they support the bond issue, and will offer the group a speaker to fully explain the purpose of the September 29 election.

At a special meeting of the steering committee Wednesday night. It was also brought out that funds are needed by the school to fully publicize the necessity of passing the bond issue.

Anyone wishing to contribute $1 or more to the campaign is requested to send his money to Joe Lewkowitz (member of the fund raising committee) at the Daly City Super Service, 3356 San Jose.

Following is the resolution adopted by the Lions Club Wednesday, August 30:

"Whereas the Daly City-Colma Lions Club is an organization dedicated to the principles of community and civic betterment and whereas the boys and girls of our community are in need of additional school facilities to restore the schools to full-time and eliminate "split shift" education and whereas the special school election on Friday, September 29th, affords the community the opportunity for providing those needed facilities:

"Therefore, Be It Resolved That the Daly City-Colma Lions Club hereby endorses that action of the Board of Trustees in calling for a bond issue for school building purposes and urges the voters of the District to signify their approval at the polls."

In addition to the resolution the Club appropriated $25 to pay the cost of book matches urging the public to vote "yes" at the election.

As the election is being held so the Jefferson Elementary school district may be authorized by the people to receive about a

(Continued on Page 2)

Enrollment To Drop At San Jose College

San Jose State college, which will begin its eighty-third academic year September 25-26, is one school that expects a decrease in enrollment.

Due to higher entrance requirements, the enrollment is expected to be between 7,400 and 7,700 as compared with a peak of 8,400 in the fall quarter of 1949.

September 1 is the day to apply for admission to the college. All new students must take pre-registration tests, including the English A examination, personnel tests, and physical examinations.

Westlake Faces Tieup In 30 Days

Construction in Westlake may come to a halt within the next 30 days, Henry Doelger, Westlake builder, said today.

His statement was based on the contention that unless he is given a crossing at the Ocean Shore Railroad right of way he will be forced to close down operations and dismiss approximately 1,400 men.

Doelger has been named defendant in a $375,000 damage action by the defunct railroad company, and the court has issued an injunction forbidding him to cross the 60-foot-widestrip of land which runs roughly northwest from White street to Alemany.

Doelger says his trucks must cross the railroad's property to get sand and fill dirt needed for preparing homesites.

Therefore, Doelger has requested

County Residents Fail To Exercise Rights GI's Are Dying For In Korea

While American soldiers are fighting and dying in Korea to maintain our way of life, many San Mateo county residents are failing to exercise the duty of freedom.

So indicated County Clerk W. H. Augustus today as he revealed that the number of registered voters has only increased approximately 2,000 since the primary election to a total of 110,000 to date.

Augustus estimated there were some ten or fifteen thousand residents of the county who are qualified by age, residence, etc., to register as voters but who have failed to do so up to this time.

"Registrations for the November General Election close Thursday, September 14th, and that final date is only weeks away," said Augustus.

Persons desiring to register or re-register if they have moved may do so either at the Court House or at the offices of any of the City Clerks. Registrations will also be taken by over 125 other Registration Deputies conveniently located throughout the county whose names and addresses will be furnished upon inquiry to the Election - Registration Department, Court House, Redwood City.

"Remember, the final date for registering to vote at the General Election is September 14 — don't delay, register today," urged Augustus.

Officers Needed

Augustus advised that applications to serve as Election Officers have been mailed to all persons who served at the 1950 Primary Election.

Many persons will have the opportunity to serve as Election Officers in some areas of the county due to vacancies on the various boards resulting from the inability of those who have previously served to again act at the forthcoming General Election.

Registered voters desiring to be of service and assist in the conduct of the General Election in their locality should make application to do so immediately as appointments to the precinct boards must be completed prior to September 21.

Application forms are obtainable at the offices of all City Clerks in the county or at the Election-Registration Department, Court House, Redwood City.

Augustus urged that all eligible and qualified persons offer their services now to assure early completion of the precinct boards and the proper conduct of the election.

SMJC Students Register Sept. 11

An enrollment of 1,524 students is expected at San Mateo Junior College this year when the school opens its doors for the fall term September 11.

Students whose names begin with letters A through D will register September 11. Those E through K will register that afternoon, L through Q Tuesday morning, and R through Z that afternoon.

An all-school assembly will be held Monday, September 11, at 8:30 a.m. at the San Mateo Theatre.

Those entering the school for the first time are advised that English tests for new students will be held at 8:30 a.m. Thursday, September 7, on the Baldwin campus. Aptitude and interest tests will follow at 1 p.m.

Saturday, September 9, faculty members will be available from 9 a.m. until noon for re-registration counseling.

Westlake Faces Tieup In 30 Days

(Continued from Page 1)

the court to modify the temporary injunction. The request was made in an affidavit filed last week in superior court.

In effect, the strip of land cuts Doelger off from operations on the western section of Westlake and threatens to halt all construction of homesites.

Earlier he had planned building a business section until such time as the ownership of the land was determined. However, the Korean war has caused a steel shortage which has compelled his company to move its operations further west and start work on a group of 100 homes.

But in order to build the 100 homes it is necessary to obtain sand and earth materials from lands Doelger owns west of the Ocean Shore strip, and to truck these materials over the Ocean Shore right of way.

Unless the court allows him to cross the strip, he believes work "will entirely cease in the Westlake project in about 30 days."

Henry Wrigley, Doelger's lawyer, said a further hearing on the matter would be set at a meeting of the court and the parties involved September 6.

Meanwhile, plans were going ahead by Daly City to lay a road over the controversial strip of land. This would put an end to the injunction, and allow Doelger, as any other citizen to cross the land at will. Whether or not the legal tape for a street can be cut before the end of 30 days is doubtful, and consequently the fate of Westlake appears to rest with the courts.

Double Sessions For Elem. Schools

(Continued from Page 1)

classrooms," Snell asserted. "And even with the new classrooms, in the next two years there will not be enough rooms to handle the expected increase in enrollment."

Pre-Registration

All students new to the district who are planning to enter school September 11 must register at their respective schools on Friday morning, September 8.

New pupils are required to present a birth certificate, and if they have previously attended schools elsewhere a transfer issued by the last school attended.

Further information as to what school a new pupil is to attend may be obtained by calling the district office at PL 5-3341.

Bus service to students living beyond walking distance will continue almost on the same schedule as last year, Snell said. However, the exact schedule is still uncertain, and will not be set until it is seen whether or not the old plan will be adequate.

Again, further information on bus schedules may be obtained by calling PL 5-3341.

Teachers

This year there will be 21 new teachers in the district, bringing the number of the teaching staff to 90.

New teachers include: Lester Anderson, Vernon Freethy, Sergie Gregoriev, John McReynolds, Cecil Mitchell.

Mesdames: Jennie Bryant, Betty Collingwood, Ruthe Dixon, Virginia Doney, Lois Draeger, Ann Gray, Esther Jicha, Foula Lamp, Emma Lockwood, Olga Pless, Julia Wilson and Carrie Schneider.

Misses: Evelene Hansen, Mary O'Boyle, Bessie Sharp and Inez Strauch.

A four-day Institute and Workshop for elementary teachers will precede the fall term. Special instruction in remedial readings as well as in district procedures will be presented to the teachers.

The four-day workshop will be held at Thornton school beginning September 5 and ending September 8, when teachers will assist in pre-registration.

Enrollment Up For Jeff High

(Continued from Page 1)

at one time.

"Much work has been done this summer," Hannah said. "We know the students and the teachers will appreciate the improvements which have been made."

Bus Schedule

The bus schedule will approximate that of last year. It will be necessary to send two busses to the coast due to the added number of students. One bus will carry students from Pedro Point, Rockaway, Vallemar and Sharp Park.

Another bus will accommodate students living in Pacific Manor, Edgemar and Westlake.

Westlake students are advised to wait for the bus at the gateways on the Alemany extension (Highway No. 1). This bus will leave Westlake at about 7:55 a.m.

New locker assignments will be made to all students. The lockers will be arranged according to classes whenever possible.

Teachers

The high school faculty will include 37 teachers who were on the staff last year, and four new teachers. Following is a list indicating position, or subject taught:

Stanford Hannah, district superintendent and principal; John Mongan, vice principal; Helen Dobbie, dean of girls; Louise Baciocco, art and crafts; Victor Binsacca, mechanical drawing and general mathematics; Harriette Burns, social studies, U. S. history and ceramics; Dorothy Crowe, general mathematics, algebra and chemistry; Marjorie Erickson, physical education; Joseph Fulford, general mathematics, algebra, physics, photography; Elizabeth Hall, English; Hazel Henry, English; Elizabeth Jones, clothing and foods; Frank Kane, Latin, world history and American problems; Marion Kramer, English and remedial reading.

Clarence Lair, general science and coach; Joseph Lassegues, auto mechanics; John Matthews, physical education; Joseph McGrath, physical education; Howard Miguel, Spanish; Beatrice Moldrup, general mathematics, algebra and solid geometry; Durant Moseley, art metal, metal shop, radio shop and stage crew; Mary Newswanger, physical education; Michael Orlich, social studies and coach; Virginia Parent, physical education; Truman Pfeffer, woodshop; Bianca Ratto, English; Marjorie Reandeau, bookkeeping, typing and duplicating; Thomas Redmond, English; Llewellyn Reese, American problems and commercial law; William Raynolds, U. S. history. Elman Rose, general mathematics and geometry; Barbara Schmidt, English; Eunice Seaton, English, public speaking and drama; Hildegard Seidel, German and social studies; Charles Slinger, machine shop; Dorothy Smith, typing and stenography; Glenn South, physical sducation; King Stevens, band, dance band, chorus and orchestra; Berna Sutton, library; Dorothy Tully, English; Dietrich Vollbrecht, biology; Madeline Miller, commercial geography, general business and typing.

All students are urged to be present the opening day, as those who miss the first day or two are under considerable handicap.

Lions Club Calls For End Of Double Session

(Continued from Page 1)

2½ million dollar grant from the state, the following item is of interest in this area:

Governor Warren this week announced he will call a special session of the Legislature on September 20 for consideration of urgent problems relating to the State's school construction program, civilian defense measures, and social service legislation.

"The school construction program under the recently ratified bond issue of $250,000,000 must continue without interruption until there are enough classrooms for all of California's school children," the Governor said.

Ice Cream Land To Satisfy All Ages

(Continued from Page 1)

always come out ahead on that one. On the contrary, some of the lads and lassies seem to have almost bottomless pits, when it comes to ice cream.

"Next, we plan to have a number of money prizes. First, we will give $5 to the one eating the most ice cream during the week and secondly, there will be a $10 sweepstakes at the end of the month.

"Now on the walls we have hung blackboards, only they are green in color. Anyway, they will list the champions in the various consuming categories, and the events and contests coming up."

Mr. Denny added that he had numerous other ideas up his sleeve which will be divulged from time to time. He explained that there always will be something to hold the interest of his patrons.

Daly City Records First Traffic Fatality

Daly City's first traffic fatality of the year was recorded Sunday evening when Anthony Rossi, 60, Colma, was struck down and killed by a car at Market and Mission.

Driving the death vehicle was Nick W. Speridon, 24, a San Francisco truck driver.

According to Speridon, he was driving south on Mission street, and had reached the intersection at Market when Rossi suddenly ran in front of his car.

The Colma ranch worker was rushed to Junipero Serra hospital at 8:50 p.m. He died 12 hours later from a skull fracture and internal injuries.

No citations have been issued, pending a full investigation by the district attorney's office.

Police said the traffic lights at the intersection had been turned off at the time of the accident. Evidently Rossi had failed to look up the street, and was running across the intersection when struck.

Rossi leaves no family. He was employed at the Bacigalupi Ranch in Colma, and has been a resident of this area for the past three years.

Funeral services are now pending at the W. C. Lasswell mortuary.

HOW IT LOOKS FROM A CORNER

(Continued from Page 1)

controversy, but only after she extracted a promise from her husband to build a cage for the new family addition in the backyard.

The cage has been duly built, and the furry little animal is content in his new home, eating garbage and smelling up the cage with his pungent RO.

After two weeks of life with a raccoon Mrs. Webb had one statement fo rthe ages today: "If this keeps up, they can take out the raccoon and put me in his cage."

E Day

The boys in the know at Washington, D. C., predict that after the November elections this country will really swing into wartime mobilization. Congressmen who are up for re-election this year are holding off on any drastic measures until they're sure of retaining their seats in congress.

This may be an astute political move, but we only hope the other world powers, where elections are held only after the candidate is sure to win, don't take advantage of the American politician's fear of offending. It wouldn't do for them to attack this country until after the elections, and the congressmen have had time to go through with the bitter, but necessary, mobilization.

More Trouble:

Another Daly City housewife has a justified gripe today. She is Mrs. Turner, 346 Hillside, who is quite alive and healthy despite the prediction of a practical joker.

Mrs. Turner was enjoying a quiet afternoon at home last Sunday when the front door bell rang and a messenger appeared with a bottle of iodine and a box of bandages for a "sick person in the house." The medicine was returned when Mrs. Turner assured the lad she was quite well.

The payoff came a few minutes later when another package was delivered. This was one-half dozen roses — funeral variety — from a well-known cemetery florist.

Aye, It's a Skirl

We see that the Scotch have landed in Korea with their skirts, bagpipes and indomitable fighting spirit. The landing was accomplished with speed, and no great amount of ceremony.

This item is of special interest to all those who attended the concert at Stern Grove last Sunday. As a special feature, the grove entertained a piper's band from Sixth Army. Dressed in the conventional army uniform, but unconventional Scotch caps, the pipers played a varied selection of numbers on their bagpipes.

The noise the pipes make is termed "skirl," or screetch. To untrained ears it is "gad awful," but to the initiated the disonance resolves itself into the best d . . . . . fighting music in the world.

Listening to the sweet sound of the pipes we think we discovered the backbone of the "ladies from hell."

We communicated this sentiment to another listener who had a somewhat less romantic idea as to the powers of the pipes: "It's like this," he explained, "the noise of those blasted instruments would drive any enemy to flight, if for no other reason than to get away from their horrible sound. On the other hand, the Scotch are willing to go forward to escape the skirl."

We'd welcome any other comments on this testy subject.

For Whom The School Bell Tolls . . . Why, Mom, It Tolls For Thee

(Continued from Page 1)

with "sister" without a backward glance? This is the moment so long awaited and rare is the mother who doesn't swallow hard at a great big lump in the throat.

The members of The Mothers Club of Our Lady of Perpetual Help school, having been through this experience, can sympathize with these mixed emotions as only mothers can. The children usually behave well, but the mamas can be quite a problem. In order to help them over this bad time and to delay a little longer the sad entry into a suddenly strangely quiet and orderly home, The Mothers Club is planning to serve a breakfast of "coffee and" in the cafeteria of the school to the mothers of newly enrolled pupils.

Mrs. Jeanette Gray, whose baby just graduated in June, will be in charge and to quote "invites all to come and shed their sentimental tears into a cup of coffee in company with other newly bereft mothers."

Daly City To Battle Proposed Phone Rate Increases

Joining 11 other Bay area cities, Daly City Monday night took up the fight to kill Pacific Telephone & Telegraph Company's proposed 50c to 75c monthly rate increases.

Councilmen approved an appropriation of $380 to share the cost of investigating the company's request, and to assist in the payment of legal assistance at the Public Utilities Commission hearing September 27. The Bay area cities are expected to put up a stiff defense against granting the company the higher rates.

"Should the new rates be approved, Daly City residents would have an additional average phone bill of $3,800 a month," Mayor Paul Green asserted.

Moving on to other business, the council awarded the contract for the Edgemar Park water pipe to the Pacific State Cast Iron company of Utah. Their bid for the job was $3,775.

The council also approved the purchase, at $2,000, of a lot to be used as part of the new Lincoln Park.

On another improvement project in the Concordia district, the council recommended that the Concordia district, the council recommended that the Walter Lenkeit company be given an extension of time on installation of the water system. Deadline for this work was set at September 11.

As their final action, the council adopted a resolution outlining the qualifications for members of the full-time fire department which is to go into operation January 1.

For the first examination applicants will be accepted only from the ranks of the volunteer firemen. The salary for a 60-hour week will be between $270 and $300 a month.

A discussion of the fate of the Community Center building and parking meters was postponed for a special meeting Thursday evening.

WESTLAKE WHIRL

by Marian Christians PLaza 5-0946

Mr. and Mrs. Henry Friedman, 87 Westdale, returned recently from a two-week vacation in Canada. The Westlake couple made the trip by automobile, and during the two weeks saw such beauty spots as Vancouver, Glacier National Park, Lake Louise and Banff.

Mr. and Mrs. George Dahl, 178 Wilshire avenue, have just returned from a two-week camping trip. One of the two weeks was spent at Lake Tahoe, and the other at Lake Almadar. There were other couples in the group, and each couple had one youngster, making a party of 12.

The Dahls report the trip was a lot of fun, including the meals in the open, fishing and swimming.

Mr. W. E. Olsen of Sacramento and Mrs. M. E. Olsen of Vancouver, B. C., parents of Mrs. J. J. Christians, 102 Wilshire, are now house guests at the Christians' Westlake home.

We are glad to see that Al Jacoby (one of Henry Doelger's nicest salesmen) and his wife Kate are at long last settled in their new home at 18 Wilshire avenue. It's going to be fun watching Al struggle with lawn problems after letting him watch us for four months.

And we see where over at 21 Cliffside drive they had a little accident with TV Tuesday morning.

Seems a San Francisco TV man, Seymour Malin, 30, was installing an aerial at the Cliffside drive home. While on the roof he suddenly became dizzy, slipped, and tumbled 20 feet to the ground.

Malin promptly picked himself up, treated a bloody nose, and started back to work. However, the occupant of the home insisted on calling an ambulance and Malin was taken to Junipero Serra hospital where he was treated for a nose bleed and bruises.

The aerial is up today, although we're not sure whether it was Malin who completed the job.

With school opening September 11, parents who have just moved into Westlake will be interested in learning where their children will go to school. In another section of the Daly City Record there is a complete coverage of the "back-to-school" movement.

However, for parents who have other problems and questions, these may be answered by calling:

James Snell, superintendent of the Jefferson elementary schools, PLaza 5-2241.

Stanford Hannah, superintendent of the Jefferson High school, PLaza 5-6661.

Our Lady of Perpetual Help school (which opens September 5) at PLaza 5-2377.

New Arrivals

To the wife of Robert Ansaldo, 236 Abbot street, August 20, a daughter.

To the wife of Melvin J. Zak, 836 Templeton avenue, August 24, a daughter.

To the wife of Wathen F. Cody, 92 Hillcrest drive, August 20, a son.

To the wife of Raymond G. Baer, 7 Cliffside drive, August 23, a daughter.

To the wife of Paul P. Doyle, 155 Peoria, August 23, a daughter.

To the wife of Robert F. Giannini, 241 First avenue, August 17, a daughter.

To the wife of Ray I. Lapin, 18 Alexander, August 19, a daughter.

To the wife of Jack W. Parker, 719 Stewart avenue, Colma, August 15, a son.

NEWS OF YOUR NEIGHBORS

Carlos L. Tydingco, chief radioman, USN, husband of Mrs. Julia Tydingco of 270 Los Olivos, recently reported for duty at the Naval Communications Office in the flag allowance of Vice Admiral Charles T. Joy, commander Naval Forces, Far East, in Tokyo, Japan. Tydingco served as a radioman aboard the amphibious force flagship USS Mt. McKinley before being assigned to the Far Eastern command. Before entering the naval service April 10, 1941, Tydingco attended high school on Guam in the Mariannas Islands.

Pvt. Carl N. Stone, USAF, son of Mr. and Mrs. James F. Stone, of Colma, recently reported for duty as an administrative technician with headquarters Military Air Transport Service (MATS), at Washington, D. C. MATS is a world-wide air command composed of personnel and equipment from both the U. S. Air Force and Navy. Its mission is the training of air transport personnel for any emergency such as the present Korean campaign. The first American aircraft destroyed by enemy action in Korea was a MATS C-54 transport on Kimpo airfield. Entering the U. S. Army in April, 1948, Private Stone was assigned to occupation duty in Japan for 15 months. He received his discharge from the Army in October, 1949, and enlisted in the Air Force in February of this year.

Mrs. Sara Nordgren, 155 Peoria street, is the grandmother today of Deborah Ann Doyle, who was born to the wife of Mr. Doyle at Mary's Help hospital August 23. The Doyle's first child weighed in at 8 pounds 3 ounces, and is now making her home in Burlingame with her parents. Mrs. Doyle was born in Daly City an dis a graduate of Daly City schools. The other grandparents are Mr. and Mrs. Clyde Marshman of Livermore.

Miss Patricia Harris, daughter of Mrs. V. M. Harris, 211 Village lane, Colma, was graduated last Friday from the St. Francis Hospital School of Nursing upon the completion of three years' training. Dr. C. P. Thompson, president of the St. Francis Hospital, presented her with her diploma. The graduating clas consisted of 14 nurses from three states — California, Oregon, and Nevada. Established in 1904, the St. Francis School of Nursing, currently under the direction of Dorothy E. Deeth, R.N., has graduated since then 1,165 nurses. It is connected with the St. Francis Hospital, one of the oldest and largest non-profit hospitals in San Francisco. During the past three years the nurses received specialized training, in addition to their work at the St. Francis Hospital, at the City College of San Francisco, Highland Hospital, and Stanford University Hospital.

Jay Levin, 5-year-old son of Mr. and Mrs. Levin, 165 Gambetta street, is keeping his distance from dogs today. The young boy was bit Sunday afternoon by a dog belonging to Mary Adling, 189 Gambetta, police report. Taken to Junipero Serra hospital, Jay was treated for a bite on his back. The dog is being kept in "custody" for 14 days.

Bob Fontes, son of Mr. and Mrs. Manuel Fontes, 101C Hillcrest drive, is now serving aboard the USSN Samuel N. Moore in Korean waters. A sonar expert, he is on a sonar destroyer. Bob joined the navy when the war broke out and his ship was oredered to Korea. He is a graduate of Daly City elementary schools and attended Jefferson High school before going into the navy.

Louis Thiebaut, 1054 Hanover street, left home Monday morning for another hitch in the navy. The World War II veteran has been called up to serve in the Pacific Reserve fleet as metal expert. During the last war he served two years in the South Pacific with the Seabees, and was one of the first navy men to land in Japan after the war. He leaves behind his wife and two daughters, Charlotte, 7, and Francine, 5.

Sgt. Bill Bolger and wife returned today from a two-week visit in the northwest. Bill reports the weather and scenery in this part of the country can't be beat. During the trip Bolger visited such places as Vancouver, Seattle, Port Angeles and the San Juan Islands. Along with the Bolgers was Mrs. Mary McCarthy. Although Bill isn't too happy about being back to work, the rest of the Daly City police force welcomed him with open arms. During the two weeks Bill was away the rest of the boys struggled with the teletype machine and paper work that only Bill fully understands.

VILLAGE NOTES

BROADMOOR, GARDEN VILLAGE, COLMA
by Mrs. Mark Swoverland
PLaza 5-4158

Hi, there. It must be a full moon this week as there are so many new babies.

Sweetwood Drive

Congratulations to Mr. and Mrs. Robert Pichard. They welcomed a baby girl, Deborah, on August 25 at St. Mary's hospital. Deborah weighed in at 7 pounds.

Wildwood Circle

Mr. and Mrs. Harold Loomis hit the jackpot . . . they welcomed twin girls, Jilda Von and Janel Marie. The twins arrived Sunday morning, weighing 5 pounds 1 ounce, and 5 pounds 6 ounces, respectively. Place of arrival was Mary's Help hospital.

Midway

Flash ! ! ! Mr. and Mrs. Schmidt are proud parents of a baby boy born Tuesday morning. Watch this column for more details next week.

Mr. and Mrs. John Travinsky have company from Nebraska, Mrs. Travinsky's mother, Mrs. Peterson.

Here tell the whole block on Midway has blossomed out into a spree of painting houses. Let's all take a look, maybe we will get some ideas.

Eighty-seventh

Jimmy Swoverland (yep, the offspring of this columnist and husband) was four years old August 23 and celebrated with a birthday party. Attending were Nancy and Barbara Golladay, Charles and Susan Kurley, Bonnie and Roger Ladd, Pamila Meitz, Kenneth Magoon, Johnny Hess, Bruce Spry, Sandy Hager, Clifford and Billy Fisher and Bruce Krulevitch. All had a grand time.

Mr. and Mrs. Arthur Hess and children, Buddy and Susan, are home after a vacation up the Russian river.

The Kenneth Brugge's and daughter Colleen returned from vacationing in the Santa Cruz mountains.

Louvaine Drive

Mrs. Janet Rizzo and son John returned from visiting friends in Vallejo for five days while Mr. Rizzo went hunting in the St. Helena mountains.

Mr. and Mrs. Peter Rizzo and Mrs. Charles Schober of Stonyford, entertained Mrs. Rizzo's and Mrs. Schober's girlfriend, Elva Quarnheim of Eureka. Miss Quarnheim just returned from a year in England as an exchange teacher. With her were her sisters, Jean and Evelyn Quarnheim. Also visiting the Rizzos was Miss Alice Porter of Eureka.

Wildwood Street

The neighborhood canasta party was held at the home of Mrs. Mary Contreras this week. Attending were Mesdames: Fleta Lesoria, Pearl Harris, Irene Parks, Ampara Arljula, Doris Menary and Marian Polites.

Maddux Drive

Mrs. Hattie Boswell,mother of Mrs. Hart, is visiting the Richard Harts. Mrs. Boswell is from Kansas City.

Marilyn Smith has just returned from Montana where she spent most of the summer with her grandparents.

Garden Village

Four residents of Garden Village last week suffered injuries when the car they were riding in collided with another machine on Bayshore near Alemany.

Injured were: L. H. Baker, 7 Garden lane, who is still in Oak Knoll hospital recovering from a fractured hip; Mrs. L. H. Baker, who suffered less severe fractures; Wayne Attwood, 5 Garden lane, who suffered two broken ribs, and his wife, who escaped with bruises.

The Bakers' car was a total loss.

Here and There

Well, what do you know, another baby. Congratulations to Mr. and Mrs. H. C. Sunderman, who are the proud parents of a baby boy, Robert Frank, who was born August 25 at Mary's Help hospital. He weighed in at 7 pounds.

Mr. and Mrs. Earl Taylor and daughter Gloria June, Ninety-second and Bryant streets, visited Mrs. Taylor's mother and father, Mr. and Mrs. Roberts in Hanford, California, recently. They helped them to celebrate their sixtieth wedding anniversary. We understand it was also a family reunion.

Walter Rector New Legion Head

Walter Rector, well-known Daly City insurance man, today is the new commander of Daly City Post No. 410, American Legion.

The new commander, and other officers, were installed at a special meeting recently.

Rector takes over the leadership of the post from Pete Bordson, who is now a past commander and civilian defense and disaster relief chairman for the post.

Other officers include: Andre Forte, first-vice-commander; Gordon Gilbert, second-vice-commander; Walter Jensen, sergeant-at-arms; Ed Trier, chaplain; Felix Foreman, finance officer; Ben Magnusen, adjutant; Emil Pahlka, service officer.

A few days after the installation, August 26, the Post and Auxiliary held a pot-luck dinner and dance. In addition to the fine food, members enjoyed the music of a three-piece orchestra led by Kenneth Sandvick, 2165 Nineteenth avenue, San Francisco.

All Post and Auxiliary members are asked to watch the Daly City Record for the next event which will be a dinner and dance September 30.

Sheriff Deputies Investigate Man Two Months Dead

Two months after his death, the body of Ernest Sanchez, 30, was found Sunday by Vincent Marsili, 38 San Pedro road, on the Lagomarsino Ranch just east of Skyline boulevard.

Marsili was hiking with his dog when he stumbled on the body. Identification papers in the dead man's pocket revealed his name, and he was a World War II veteran from Albuquerque, New Mexico.

Sanchez was lying on his back with a .38 automatic clutched in his right hand. A bullet had been fired from the gun into his right temple. Another bullet was found in his pocket.

All indications are that Sanchez committed suicide, sheriff's deputies report.

Until such time as his family can be reached little can be determined about the dead man. However, his brother was called in Albuquerque, and he could give no reason why Sanchez should have killed himself.

Pending further investigation, Sanschez's body will be at the W. C. Lasswell mortuary.

Anderson Has 'Em -- 61 Refrigerators, 10 Wash Machines

This is your lucky day, Mr. and Mrs. Daly City.

Anderson Refrigeration, 7046 Mission street, has received not one, but a carload of completely new and modern refrigerators.

In these days of ever-increasing shortages, Anderson has had a long waiting list of persons eager and anxious to buy not only a refrigerator, but the best in that line, "Frigidaire." Now he can temporarily satisfy that demand, and have a few machines left over for those lucky few who get into his store before they are all gone.

And even if you're not in the market for a refrigerator today, stop in and look them over. Anderson is sure one look at the top quality machines will convince you that this is the time to make that purchase.

Oh yes, housewives will be glad to learn that in addition to the 61 refrigerators Anderson also has managed to corral 10 washing machines . . . and are they honeys.

So why not stop in and see Anderson tomorrow? Remember this may be your last chance to get one of those refrigerators or washing machines of your dreams.

Remember . . . Anderson Refrigeration, 7046 Mission street.

North Carolina grows approximately 40 percent of the nation's tobacco; about 70 per cent of the nation's leaf cigarette tobacco.

Vacation Is Over At Club Casino... Come In Labor Day

Club Casino's vacation is over, and just in time for the big three-day Labor Day holiday.

Beginning Friday, September 1, the doors of the Club at 6192 Mission will be thrown open for business.

There have been several changes in the club during the vacation period, but, of course, there has been no change in the high quality food and service offered.

In fact, the food will be even better this season. Celese, formerly of the "City of Paris" in San Mateo, is to prepare the tasty menus for banquets, weddings, social gatherings and the regular dinners. This will put the Club Casino in the top spot for places to wine and dine in Daly City.

Drop around to the Club Casino over the holidays. Give the little woman a break, and eat out. The food is guaranteed to put even your wife's cooking a bit in the shade.

The Club Casino, 6192 Mission (just below the Daly City Theatre) is the place to fully enjoy the Labor Day holidays.

UPHOLSTERY DIRTY?

SAFETY

Industry spares no pains or expense when it comes to protecting the bodies of factory workers.

Spark-proof helmets, sturdy shoes, non-slip floors, easy exits—the list of precautionary devices is long. They call it "Safety Engineering."

Is it too much to say that the Church too is engaged in a type of safety engineering? Through the religious faith on which it is founded the Church knows that the *souls* of people need protection even more than do their eyes and limbs.

The Church believes that human hearts yearn for a comforting arm just as human frames require safe-guarding. It believes that physical safety is not enough; that to bring peace of mind is a more important mission than to insure absence of bodily risk.

As long as lives are saved from the blight of godlessness, the institution contributing to such saving is entitled to all the encouragement and support you can give it.

HOLY BIBLE

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Summer Recreation Program Ends With Plans For Fall

By Elman Rose
(Recreation Director)

This week marks the end of a very successful summer recreation program conducted by the Daly City Recreation department.

A new high in summer attendance and participation was set, with the average number of children a day taking part in activities well over 100.

In addition to general supervised play, the program was augmented weekly with special events, outings, tournamenis, leagues, movies and classes in crafts and folk dancing.

The fall program gets underway next week with Marchbanks Park and Lincoln Playground supervised. Certain school grounds will be open and supervised by teachers for after-school play. The starting date, and hours will be announced soon.

Beginning next Wednesday, September 6, a game room for evening recreation will be open at Castle Hall, 7339 Mission, from 7 to 9 p.m. every Monday and Wednesday.

The summer evening folk dancing classes will continue on the same schedule.

An afternoon folk dancing class for fifth and sixth graders will be announced soon.

A schedule of other activities to be conducted with the cooperation o fthe schools also will be soon released.

The Daly City Recreation department would like to take this opportunity to express its heartfelt gratitude to the Jefferson High school district, the Daly City Record and the many groups and individuals who made it possible to make the summer recreation program such a success.

Daly City Man Awaits Trial For Holdup

Awaiting trial today for the alleged robbery of a Daly City man of $500 July 27 is Robert C. Criswell, 27, 2 Vista Grande avenue.

Criswell was arrested last Wednesday at Ukiah by Deputy Sheriff Frank Marlowe in connection with the robbery of Fred Armstrong, 27-year-old tile-setter of 322 Westlake avenue.

Marlowe reported today that Criswell had signed a confession.

In the confession Criswell allegedly reported his actions:

"I met Armstrong July 27 in a Mission street bar in Daly City while Armstrong was intoxicated, and later robbed him of $500 while we were parked in Armstrong's car in front of Lovchen Gardens in Colma."

Criswell said he had seen the money protruding from Armstrong's pocket earlier in the evening at the bar. He told Deputy Marlowe he had offered to drive the tile-setter home, and after robbing him he threw the auto keys into the rear seat and ran down the street.

The whereabouts of Criswell was learned when he made a call to his wife, Marie, from the Lincoln hotel in Santa Rosa.

King Neptune's Daughter To Get Tailored Suit

A $100 tailored suit ensemble, complete with hat, gloves, shoes, stockings, scarf, bag, and lapel bouquet, will be awarded by "Mademoiselle," San Mateo's newest fashion store, to the winner of the King Neptune's Daughter contest to be staged at the San Mateo County Fair at 2:30 p.m. Sunday, September 10.

According to Richard Knutzen, contest chairman, other prizes will also be awarded to the winner and runner-ups. The only qualifications are that the entries be sponsored by some individual, business firm, club or other type of organization, be from 16 years to 26 years of age and possess a "nymph-like" figure in a bathing suit.

The judging will be held in the main tent, which has a seating capacity of 2,500, and will be one of the colorful highlights of "San Mateo Day" at the fair. King Neptune will appear and officially bestow a royal title upon the winning nymph.

King Neptune's nymph - like daughter will appear publicly again when she shares King Neptune's throne and helps him award prizes to the winning fishermen at the fourth annual Shark Derby, only shark fishing competition in the United States, to be held from 8 a.m. to 3 p.m. on Sunday, September 17, at Coyote Point, San Mateo.

For further information, would-be nymphs and their sponsors are urged to write to the 1950 Shark Derby Committee, P. O. Box 755, San Mateo, or telephone DIamond 4-7108.

Serra High School To Open Sept. 5

Serra High school in San Mateo will begin classes at 9 a.m. September 5 with an enrollment of 360, an increase of 35 over last year.

Two new teachers have been added to the faculty — The Rev. Fr. Leonard Williams of San Francisco, who has just returned to the Bay area after study at the Catholic University of Washington, D. C.; and The Rev. Fr. John Cunningham of San Francisco.

They replace The Rev. Fr. Lawrence Ryan, who will teach at Marin Catholic High school and The Rev. Fr. Francis Quinn, new chaplain at Sacred Heart High school in San Francisco.

All all-coast halfback in 1942, Jess Freitas, will be the new football coach at Serra High this fall. Freitas is a graduate of the University of Santa Clara and a member of the '49ers.

LEGAL ADVERTISING

NOTICE OF SALE OF REAL PROPERTY AT PRIVATE SALE

No. 118152, Dept. No. 9

IN THE SUPERIOR COURT OF THE STATE OF CALIFORNIA, IN AND FOR THE CITY AND COUNTY OF SAN FRANCISCO

In the Matter of the Estate of JACK GOLDMAN, Deceased.

NOTICE IS HEREBY GIVEN that HAL M. GOLDMAN and JOAN ROCK, Administrators of the Estate of Jack Goldman Deceased, will sell at private sale to the highest bidder, subject to confirmation by the said Superior Court above named, on or after the 1st day of September, 1950, at the hour of 10 o'clock a.m., all the right, title, interest and estate of said Jack Goldman at the time of his death, and all of the right, title and interest that the said estate has by operation of law, or otherwise, acquired, other than or in addition to that of said deceased at the time of his death, in and to those certain lots, pieces or parcels of land situated, lying and being in the City of San Mateo, County of San Mateo, State of California, and more particularly described as follows, to wit:

Parcel No. 1: Portion of Lot numbered one (1) in Block lettered "D" as shown on that certain map entitled "Map No. 2 of San Mateo Heights", filed in the office of the County Recorder of San Mateo County on April 27, 1904 in Book "E" of Original Maps at page 59 and copied into Book 3 of Maps at page 29, described as:

BEGINNING at a point on the Noriherly line of Villa Terrace, distant 56 feet 6 inches Easterly from the Easterly line of Highland Avenue as shown on map referred to and running thence Northerly and parallel to the Easterly line of Lot 1, 76.20 feet; thence Westerly 70 feet, more or less, to a point on the Easterly line of Highland Avenue, distant thereon 84.50 feet Northerly from the Northerly line of Villa Terrace; thence Southerly on and along said line of Highland Avenue, 84.50 feet to the Northerly line of Villa Terrace; thence Easterly and along the Northerly line of Villa Terrace 56 feet 6 inches to the point of beginning.

Parcel No. 2: Portion of Lots 1 and 2 in Block "D" as shown on that certain map entitled "MAP NO. 2 OF SAN MATEO HEIGHTS", which map was filed in the office of the Recorder of the County of San Mateo, State of California on April 27, 1904 in Book "E" of Maps at page 59 and a copy entered in Book 3 of Maps at page 29, more particularly described as:

BEGINNING at a point on the Northeasterly line of Highland Avenue distant thereon 84.50 feet Northwesterly from the Northwesterly line of Villa Terrace as shown on the map above referred to; thence from said point of beginning and continuing along the Northeasterly line of Highland Avenue 59.30 feet to the Northwesterly line of said Lot 2; thence Northeasterly along said Northwesterly line 82 feet to the northeasterly line of property conveyed to Henry Kruse and wife by Deed recorded in Book 109 of Official Records of San Mateo County, at page 381; thence Southeasterly along said Northeasterly line 58 feet, more or less, to the Northwesterly line of property conveyed to Jack Goldman by Deed recorded in Book 1455 of Official Records of San Mateo County at page 91; thence southwesterly along said Northwesterly line 70 feet, more or less, to the point of beginning.

Terms and Conditions of Sale: Cash, lawful money of the United States; ten per cent (10%) of the purchase price must accompany the bid or offer; balance on confirmation of sale; instruments of title at the expense of the purchasers; taxes, rents and fire insurance to be prorated as of the date of delivery of deed.

All bids or offers must be in writing, and may be left at the office of Aaron N. Cohen, Attorney at Law, Room 508, 369 Pine Street, San Francisco, California, or may be filed in the office of the Clerk of the above entitled Court at any time before the making of the sale.

Dated: August 10th, 1950.

ORDER TO SHOW CAUSE ON APPLICATION FOR CHANGE OF NAME OF INDIVIDUAL

No. 52337

IN THE SUPERIOR COURT OF THE STATE OF CALIFORNIA, IN AND FOR THE COUNTY OF SAN MATEO

In the Matter of the Application of CURUBINO L. DI FILIPPO, also known as CURUBINO DI FILIPPO.

WHEREAS, CURUBINO L. DI FILIPPO has filed his petition with the Clerk of this Court for permission to change his name from CURUBINO L. DI FILIPPO to PHILIP DI FILIPPO;

THEREFORE, IT IS HEREBY ORDERED that all persons interested in the matter aforesaid appear in the presiding department of the Superior Court at the Court House, Redwood City, San Mateo County, California on the 11th day of September, 1950, at the hour of 10 o'clock A. M. of said day, and then and there to show cause, if any they may have, why said application for change of name should not be granted.

IT IS FURTHER ORDERED that a copy of this order to show cause be published in the Daly City Record, a newspaper of general circulation, published in the city of Daly City, County of San Mateo, State of California, for four successive weeks next preceding the date set for the hearing thereof.

DATED: The 7 day of August, 1950.

NOTICE OF PUBLIC HEARING

Notice is herewith given that a public hearing will be held by the Planning Commission of the City of Colma on the 8th day of September, 1950, at the hour of 8:00 P.M. ON such date in the auditorium of the Colma City Hall, the purposes of said public hearing being the following:

1. To consider a comprehensive zoning plan to be recommended by the Planning Commission to the City Council of the City of Colma for adoption by the said Council as a Master Zoning or Districting Plan for said City establishing various zones in said city; regulating the uses of lands and buildings within such zones; adopting a map showing said zones, requiring that certain permits shall be secured for certain of said uses and buildings; defining certain terms to be used therein; providing for its adjustment, enforcement, and amendment; prescribing penalties for violations and repealing any ordinances or portions of ordinances in conflict therewith.

2. Consideration by the Planning Commission of an application filed by A. Conti for a permit to construct a drive-in theatre on the property located within the territorial limits of the City of Colma bounded by the Colma City limits on the north, Junipero Serra on the west, El Camino Real on the east and by the northerly property line of Woodlawn Cemetery on the south.

3. Such other business as may properly come before the Planning Commission at any regular meeting, adjourned meeting or special meeting.

Notice is further given that a second public hearing will be held by the Planning Commission on the 18th day of September, 1950 at the hour of 8:00 P.M. on such date in the auditorium of the Colma City Hall for the purpose of giving further consideration to and adoption of a Comprehensive Zoning Plan as specified in sub-paragraph (1) above.

Signed: M. JAY JENSEN
Chairman, Planning Commission

SUMMONS

No. 52108

Action brought in the Superior Court of the State of California, in and for the County of San Mateo; and the complaint filed in said County of San Mateo in the office of the Clerk of said Superior Court. IN THE SUPERIOR COURT OF THE STATE OF CALIFORNIA, IN AND FOR THE COUNTY OF SAN MATEO

DANIEL MORRISON, Plaintiff, vs. LESLEY MORRISON, Defendant.

THE PEOPLE OF THE STATE OF CALIFORNIA SEND GREETINGS TO:

LESLEY MORRISON, Defendant.

You are hereby required to appear in an action brought against you by the above named plaintiff, in the Superior Court of the State of California, in and for the County of San Mateo, and answer the complaint filed therein within ten days (exclusive of the day of service) after the service on you of this Summons, if served within said County, if served elsewhere within thirty days.

And you are hereby notified that if you fail to so appear and answer, the plaintiff will take judgment for any money or damages demanded in the complaint as arising upon contract, or will apply to the Court for any other relief demanded in the complaint.

Witness my hand and the Seal of the Superior Court of the State of California, in and for the County of San Mateo, this 11th day of July, A.D., 1950.

Jeff School District Purchases Land For School Site

In preparation for the construction of a new upper Garden Village school, the Jefferson elementary board last Thursday approved the purchase of property in the area of White street.

Provided the district attorney and the state of California approve, three parcels of land will be purchased by the board. They include land from: Avery and Nellie P. Williams, $25,000 gross; Sereno and Corina Ferraris, $35,000 net; Thomas Sr. and Bridgie E. Callan, $5,800 net.

William Lagomarsino, who made the appraisals for the board, reported that either Williams or Ferraris would accept a lower price for their land. However, he said Callan was willing to let his land go at the appraiser's figure, and consequently Callan was given a smaller sum than requested at a special meeting held August 22.

While Mike Callan and Andrew Van Der Werff approved the move to purchase the property, Mrs. Helen Cheatham, the third board member, refused to vote.

Lagomarsino was instructed to continue with the purchase of the other property in the area needed for the upper Garden Village school.

There was also a discussion of the coming September 29 school bond issue to raise money for 64 classrooms (including the upper Garden Village school). As chairman of the citizen's committee sponsoring the bond issue, Mayor Paul Green made a report to the board. Further information on this may be found in another story in the Daly City Record.

Other business before the board included:

1. Mrs. Marie Intaschi resigned her position as teacher so she may be able to be with her husband, who has been called back in the service. Mrs. Carrie Schneider was appointed by the board to replace Mrs. Intaschi.

2. A. Vireno was given the construction fire insurance policy for the Colma school.

3. A letter from the district attorney's office, and an agreement on the well with Fortunato Podesta was presented and discussed. No action was taken as it is the purpose of the board to re-state the proposed location of the well and to ascertain if 10 feet by 20 feet is sufficiently large.

NOTICE OF SALE OF REAL PROPERTY AT PRIVATE SALE

No. 15555

IN THE SUPERIOR COURT OF THE STATE OF CALIFORNIA IN AND FOR THE COUNTY OF SAN MATEO

In the Matter of the Estate of JEFFERSON D. LEE, Deceased.

NOTICE IS HEREBY GIVEN that the undersigned, William Crosby, administrator of the estate of JEFFERSON D. LEE, deceased, will sell at private sale on the 11th day of September 1950, at 10:00 o'clock A.M. of said day, or after said day, to the highest and best bidder, upon the terms and conditions hereinafter set forth, and subject to confirmation by the above entitled court, all the right, title and interest and estate of the above-named decedent, which said decedent had at the time of his death, as well as all the right, title, interest and estate which has since accrued, by operation of law or otherwise, to the estate of said decedent since his death, in and to the following described real property:

All that real property in the City of Daly City County of San Mateo, State of California, described as follows:

Lot numbered thirty-three (33) in Block numbered six (6) as shown on that certain map entitled "Map of the Crocker Estate Tract, Subdivision No. 1", which map was filed in the office of the County Recorder of San Mateo County on June 1, 1908 in Book 6 of Maps at page 16;

The terms and conditions of sale are as follows: Cash, lawful money of the United States; ten (10) per cent of the amount bid to be paid at the time of the acceptance of the bid, the balance on confirmation of sale by the Superior Court, the deeds and instruments of title to be at the expense of the purchaser.

All bids and offers must be in writing, and may be left at the office of Louis B. Dematteis, District Attorney and Attorney for said administrator, Court House, Redwood City, California, or may be delivered to said administrator personally in said County of San Mateo, or may be filed in the office of the Clerk of this Court, at any time after the first publication of this notice and before the making of the sale.

Dated: August 28th, 1950.

NOTICE OF INTENTION TO ABANDON EASEMENTS

NOTICE IS HEREBY GIVEN that on Monday, the 21st day of August, 1950, the City Council of the City of Daly City adopted Ordinance No. 312 declaring its intention to abandon a certain easement hereinafter described and fixing a time and place where all persons interested in, or objecting to, the proposed abandonment could be heard.

NOTICE IS FURTHER GIVEN that Monday, September 11, 1950, at the Council Chambers of the City of Daly City, County of San Mateo, State of California, at the hour of 8:00 o'clock P.M. of said day is fixed in said ordinance as the time and place where all persons interested in or objecting to the proposed abandonment could be heard.

Easement proposed to be abandoned is particularly described as follows:

"A strip of land of the uniform width of 2 feet lying contiguous to and southerly from the northerly line of the 5 foot Public Utility Easement along the rear of Lot 22 in Block 2, as designated on the map entitled 'Westlake Subdivision No. 1, Daly City, California', which map was filed in the office of the Recorder of the County of San Mateo, State of California, on January 11, 1949 in Book 29 of Maps at pages 45 and 46, and extending from the easterly line of Cliffside Drive to a point 30 feet westerly from the easterly line of said Lot 22".

LPH Prepares Plans For Carnival; nnual Event Slated For Oct. 11-13

As vacation comes to an end d school reopens, the parishions of Our Lady of Perpetual Help urch turn their thoughts to the arly Carnival which has become outstanding event in Daly City. A great deal of preparation and anning goes into an undertaking this sort. For the past few ars a theme has been selected. ecorations, entertainment and stumed workers have been in eping, all adding to the gaiety d color which has become tradional with the Annual Carnival.

Father William C. Stewart anounces that the Ninth Annual arnival of Our Lady of Perpetual elp Church will take place Ocber 11, 12 and 13 in the school uditorium at 80 Wellington avenue.

Many themes have been sugested and by next week one will ave been chosen. Then the real ork of the Carnival will start. hairmen of the various booths ill be announced, new attractions ided, hammers will start to ound, telephones ring, paint ushes fly and until October 11, e Carnival will be uppermost in e thoughts of the parishioners. ll organizations of the parish are vited to take part — any suggesons will be gratefully received.

The proceeds of the Carnival, always, will go to help defray e tremendous debt incurred hen the beautiful parish school as built.

Additional details will be anounced later — watch for a deription of the various booths — ut in the meantime, mark off the ates of October 11, 12 and 13 and ome and have fun at the Carnival!

ake Your Pick . . . ee Flying Disc r Vaudeville

Ski jumping will be about the nly thing not to be featured at the 950 Fair and Floral Fiesta openng September 8 at the fair rounds in San Mateo.

There will be a flying disc, a audeville show, an automobile how, numerous events arranged y the various communities, a garen fairyland, strolling musicians nd many other continuous feaures which will make the show utstanding, according to officials.

The public is becoming excited bout show time opening. Exhibits re already being erected in the rand hall of the Fiesta building. The paving of 150,000 square feet n the area from the new entrance ates to the Fiesta building and he Pacific Pavilion, has been comleted. Workmen are still busy on he $12,000 worth of electrical imrovements on the fair grounds nd in the exhibit buildings but the ob is just about completed. Plants ave budded and bloomed. Exhibits re still being planned but many re ready to be worked on.

The fairyland theme of the year as aroused more than usual interst among exhibitors. The show ill be different. It will be of inerest to the entire family and it ill be educational, entertaining nd refreshing, according to offiials.

Virginia McDonald and Heather itzpatrick who will serve as Fista theme girls will help distribte new brochures about the fiesta his week telling of its features.

An advertising campaign relative to the fiesta will start immeiately in all San Mateo county ewspapers of general circulation, n San Francisco, Santa Clara ounty, and east bay newspapers nd on both San Mateo radio staions.

The general admission ticket, osting 85c, will admit to the fiesta nd the vaudeville show but not o the races which are at Bay Meadows.

undstrom Sets Record or Blood Donations

A. L. Sundstrom, 174 Crocker venue, really believes in giving is blood for a good cause.

This week the well known Daly ity man contributed the thirenth pint of his blood to the an Mateo County blood bank. o date this is the greatest amunt of blood contributed by one an from the Daly City area. Correct the Record if we're rong.)

Other Daly City residents who ave their blood to the bank recntly include: William L. Morris r the fourth time and Silvio Efstine for the first time.

Woodrow Wilson PTA oard To Meet Sept. 5

The first executive board meetng of the Woodrow Wilson PTA ill be held on Tuesday, Septemer 5 at 1:30 p. m. at the home f Mrs. James Snell, 153 Miriam reet.

Plans will be formulated for a elcoming breakfast for mothers f new pupils entering school for e fall term.

Woodrow Wilson PTA takes is opportunity to remind everyne in the district to cast his or er vote in the coming school ond election.

Jewish Holy Day Services Slated

The Congregation B'Nai Israel will hold High Holy Day services in the Temple, 67 Los Banos avenue, September 12, 13 and 21, it was announced today.

Morris Cerf, Donald Caler and Solomon Plansky will officiate. The services will be conducted both in Hebrew and English.

Seats are now available, and all Jewish neighbors, especially those in Westlake, are invited. Reservations may be had by calling Mrs. Plansky at PL 5-6849.

Mrs. Hobbs Heads Theatre CC Drive

Mrs. William Hobbs, three time "past" PTA president and long time worker on all sorts of civic projects, is doing her usual "bang-up' job as Theatre chairman for the 1950 Big C drive in Daly City.

Women in this group do not solicit money! They will be in places to explain the CC to interested parties and to solicit workers for the one hour drive on Sunday, October 1.

Theatre workers are Mesdames Julia Jordan, Joseph McKay, Albert D'Isep, Arthur W. Lauffenburger (also a district chairman), Peter Bordson, Emil Miller, Herman Kohlbrenner, Glenn A. Blackburn.

Bank workers will be directed by Mrs. Ethel Harris who did such a fine job as Red Cross Residential chairman last year.

Mrs. Ed Nenstiel will be in the Bank of America on Monday, Wednesday and Friday with Mrs. Clara Poket (traditional Santa Claus at Woodrow Wilsons Xmas parties) as possible assistant.

Watch yourselves with these two ladies...their personalities are such that they will have you signed up before you know it.

Anyone wishing to assist in the drive is asked to call JUniper 7-9792.

Car Injures Young DC Boy

A six-year-old Daly City boy narrowly escaped serious injury last Thursday morning when he darted in front of a car on Hillcrest drive.

Suffering minor cuts and abrasions, Leonard Shapiro, son of Mr. and Mrs. Shapiro, 252 Hillcrest drive, was lifted from the street and taken to Junipero Serra hospital for treatment.

The driver of the machine, Fred MacDonald, 155 Vista Grande, told police that young Shapiro and his playmates were on the south side of the street, when Shapiro suddenly whirled around and dashed in front of MacDonald's car.

Pending further investigation, no citations were issued.

John B. Hanson

A resident of Daly City for the past 45 years, John B. Hanson, 70, 247 Los Banos died at his home Monday afternoon.

Hanson suddenly had trouble breathing at 5:30 p. m., and his daughter-in-law called police. However, before the officers could revive Hanson, he died.

The Daly City man was well known in this community. He was a retired stonemason. He was a native of Sweden.

He is survived by his widow, Mrs. Delia Hanson; two sons, Manford and Enior; a grandson, Bruce; two sisters, Mrs. Jennie Olsson and Mrs. Sigrid Yarick, and a brother, Gus. He is the brother of the late Fritz and Herman and Mrs. Anna Friedlund.

Funeral services were held at the W. C. Lasswell chapel today, August 31 and interment followed at Olivet Memorial Park.

Mrs. Bertha Irwin

Funeral services were held Monday for Mrs. Bertha Irwin, a pioneer resident of Colma.

For the past 60 years, Mrs. Irwin had lived in her home on Linden avenue. She died Friday morning at the Community hospital in San Mateo.

A native of Germany, she was 85 years old. The widow of Andrew Irwin, she leaves a niece, Hedda Noack of Colma.

The funeral was held from the Nauman, Muzio, Lincoln mortuary in South San Francisco. Entombment was at Olivet Memorial Park.

Deborah Sue Larsen

Three-year-old Deborah Sue Larsen, daughter of Mr. and Mrs. Jack W. Larsen, 1171 Nimitz dr. died at the Mt. Zion hospital August 25.

The baby girl is survived by her parents and a sister.

Funeral services were held from the W. C. Lasswell chapel Saturday and interment was at Woodlawn Memorial Park.

Former DC Girl Weds Fort Bragg Resident Recently

Miss Gloria Arteseros of Daly City became the bride of Herbert Harrison of Fort Bragg at a quiet wedding July 23 at San Bruno, her aunt, Mrs. Charles Usery of Willits street, announced today.

The bride is the daughter of James Arteseros of San Bruno and the late Mrs. Helen Nyberg of San Francisco. She lived for a good many years with her aunt, Mrs. Usery.

The groom is the son of Mr. and Mrs. Oscar Harrison of Fort Bragg and is a graduate of the Fort Bragg high school. He is employed in the Union Lumber company woods as a "cat skinner."

The bride was a picture of beauty as she came down the aisle on the arm of her father, who gave her in marriage. Her gown was ballerina length white organdy over pale yellow satin. Her veil was of white net, fingertip length, held in place on her head with a coronet of metallic orange blossom. The dress was designed with cape sleeves and a stand up collar at the back of the neck, graduating to a deep V at the front neck-line. She wore seed pearl choker with matching earrings.

Her flowers were orchids carried on a white prayer book from which trailed small white flowers on long white satin streamers.

The sole attendant to the bride was Mrs. Tony Pacheco of San Francisco who wore ballerina length pink organdy and pink shoes, gloves and tiara. Her flowers were yellow roses with satin trailing ribbons.

The bride's mother wore champagne-colored satin cocktail dress with black accessories. The groom's mother chose a pink nylon cocktail dress for the wedding and wore beige accesorises. Both ladies wore orchids.

For his best man the groom had chosen his brother, Bernard Harrison of Fort Bragg. The ushers were Donald Peterson of Fort Bragg and the bride's brother, David Arteseros of San Bruno.

A reception dinner attended by over 50 relatives and close friends of the bride and groom was held at Lyle's Club in South San Francisco.

Following the wedding the newlyweds departed for a brief honeymoon in southern California and Catalina Island. They are now at home in their apartment on Whipple street in Fort Bragg.

Professional Models Take Part In Sept. 16 Show

Models from Hale Bros. Grant avenue store will be featured in this year's Colma Vista Grande No. 1848 FOE Auxiliary fashion show September 16.

The big fall fashion show will be held in the Hotel Whitcomb at 2:15 p.m. In addition to the lovely models, the well-known commentator Paul Speegle will give his view of the fall fashions.

Plans for the show were discussed last Thursday evening by committee members sponsoring the event.

Purpose of the affair is to raise funds for the Auxiliary to purchase parade uniforms for the drill team.

Tickets may be had by calling Mrs. Myra Laws at PL 5-2872 or Mrs. Marge Kennedy at PL 5-4413. Get your reservation early, as there will be a limited amount of space.

Women serving on the committee sponsoring the show include Mesdames: Agatha M. Heyden, Marge Kennedy, Wilma Riley, Myra Laws, Donna Almquist, Francis Nenstiel, Dorothy Carrington, Lorene Gardner, Tiny Balletto, Ester Meritt, Edna Monda, Dolly Davison, June Leone, Brita Morris, Elayne Wright, Helen Klingman, Agnes Malz, Eilien Debano, Jerry Stahl, Adeline Taylor, Mary Romero and Miss Ruby Jones.

"Record" Reminiscence

From the "Record" 10 Years Ago
August 28, 1940

Daly City raised its tax rate 9 cents this week to an all-time high of $1 for the fiscal year 1940-41.

The State Railway Commission will hold a public hearing at the city hall next Wednesday, September 4, on Daly City's application for a crossing at Knowles avenue.

Increased enrollments were reported at all Daly City schools this week as children returned to school Monday.

Daly City Merchants fought on toward the title in the Seals Stadium tourney when they defeated Owl Drug 6-3 in a thrill-packed game, Sunday.

The county board of supervisors Wednesday adopted the 1940-41 basic tax rate of $1.07, a decrease of 6.05 cents from the 1939-40 rate.

SOCIETY

Chairmen Named For Holy Angels Church Bazaar

Plans were going ahead at full speed today for the annual Colma Bazaar to be held in Colombo Hall, San Pedro road, September 30 to October 1.

At a special meeting this week chairmen were named to head the various booths. And by the looks of things, this affair will feature everything from best buys in fancy work to refreshments.

Of course, the big prize of the bazaar will be a free all-expense-paid trip to the Rose Bowl game. In addition to this trip for some lucky couple, other prizes include a 16-inch television set, a sewing machine, and two bicycles.

Chairmen to head the various booths at the bazaar include: Flowers, Mrs. Ida Garibaldi, Loradina Bennedetti, Mary Giacchino, Mabel Martinelli; fancy work, Mrs. Welp and Mrs. Fuchs; games, James Crofton, Dias, Mike Casentini; refreshments, ICF and L. Guiffre; ham and bacon, Robert DelBuno, Joe Wood, Nick Ciardelli; groceries, 21 Club members; bingo, Mrs. Diaz and Mrs. Crofton; cashier, Albert Belli; fish pond, Mrs. Albert Belli; cosmetics, Eloise Perreria, Stefani Cabrinha and Carol Cabrinha.

Anyone who wishes to enter his or her fancy work in the bazaar is asked to leave the finished product at the Holy Angels parish house.

Tickets for the event may be purchased from any member of the congregation of Holy Angels Church.

Jobs Daughters To Meet Sept. 8th

Bethel No. 26 International Order of Jobs Daughters will hold their first meeting after summer vacation September 8.

The meeting place is 2668 Mission. Time is 8 p. m. Joan Skinner, Honored Queen, will preside.

Mrs. Lewkowitz Honored At Meet

Dolly Lewkowitz, junior past president of the Colma Vista Grande Auxiliary No. 1848, was the honored guest at the last regular meeting of that group.

Escorted to the station of the president, Lorene Gardner was presented her year book, a gift from the Auxiliary. The book was beautifully tied with six white carnations. Myra Laws was chairman for the gift, and deserves a world of thanks for the work she put into the book.

Gordon deLeon sang and played the saxophone, accompanied by Beverly Mizer at the piano.

Two visitors from San Mateo, Rita Planting and Mary McCutchen, president and secretary, respectively, attended the meeting.

Plans were made to adopt a handicapped child from the Memorial Foundation and Leonora Oriel offered to take the chairmanship. Also, arrangements for books to be collected through the Auxiliary and turned over to the army transport ships was made. Edrie Summers Jr. is in charge of this "detail."

Members also donated money to the cancer fund.

Refreshments were served by Margaret Florence, hospitality chairman, and Albert Diebel, Brita Morris, Edna Mona and May Baker.

Table arrangements were made by Edrie Summers, chairman, and Edna Mona.

SPORT FISHING GOOD OFF HUMBOLDT COUNTY

Sport fishing has been very good during the past week in the waters off Humboldt Bay and Trinidad Bay in Humboldt county, reports the National Automobile Club. Salmon have been making up most of the catch but many albacore have been taken off the entrance to Humboldt Bay and about four miles out from the mouth of Mad River.

Colma Delegates To Attend Catholic Federation Meet

With Catholic Action and the Family as the theme, solemn religious ceremonies will mark the 20th annual Convention of the Italian Catholic Federation to be held in Pittsburg, California, on September 2-3-4 and 5.

Climaxing the event will be the Solemn High Mass (Field Mass) at St. Peter Martyr school grounds with the Very Reverend Benedict M. Blank, O.P., celebrating and the Very Reverend Joseph Bolzan, P.S.S.C., of Chicago, preaching the sermon.

Highlights of the gathering as announced by Savant will include a coronation and grand ball to open convention festivities on Saturday, September 2, at Pittsburg National Armory. An impressive and spectacular parade will take place on Sunday afternoon at 2 p.m. The parade is to be followed by the convention banquet at which the members of the hierarchy, civic officials, grand officers of the I. C. F. and the delegates will be honored. Business sessions will be held on Monday, September 4, and Tuesday, September 5.

Delegates attending conclave from Branch No. 19, Colma, include Bianca Ratto and Julia Padreddie.

Sunday Sermon Topic Announced

"Bearing Our Neighbor's Infirmities" is the sermon theme next Sunday at Lutheran Church of Broadmoor.

Pastor Zschiegner, who has returned from a week's vacation in northeastern California, will preach the sermon at the usual 11 o'clock service.

Services are conducted at Community Recreation Center in Broadmoor Village, White street just off 87th street. Interested persons, especially the unchurched of the Broadmoor-Westlake area, are most cordially invited.

Sunday school is held weekly on Sundays beginning at 9:45 a.m.

Daly City Boys Club To Hold Teen-Age Dance At Clubhouse September 7th

Daly City teen-agers will be given an opportunity to dance to the music of the finest bands in the country Saturday, September 9.

Only big time bands will play at the first teen-age dance to be held in the Daly City Boys Club room at No. 2 Hillside boulevard. Admission will be 10 cents (payable at the door), and the dancing will get underway at 8 p.m.

It is hoped the fine orchestras will draw a large crowd, as the Boys Club is planning to make these dances a weekly affair throughout the fall and winter months.

All money from the event is to be turned back into the Boys Club for the purchase of needed equipment.

Lala Huntsman, chairman for the evening, has lined up the fine bands.

"Yes sir, we really got 'em," Huntsman said today, "the best orchestras this side of a platter."

The bands were "signed up" only after the Club received a phonograph and some records.

Other members of the dance committee include: Mary Hall, Barbara Marshall, Jerry Williams, Patricia Gallagher, Joe Cerrito and Bill Bront.

Lutheran Church Program

Enfrid Benson, superintendent of the Lutheran Church of Our Savior Sunday school, reports a full fall schedule, beginning this Sunday at 9:45 a.m.

There is a class for every person.

Divine services are held every Sunday at 11 a.m.

The Lutheran Church of Our Savior is located at Garfield and Junipero Serra boulevard and the man, B.D., may be reached by pastor, the Rev. Robert G. Konzelphoning JU 4-8501 or JU 4-0293.

OLPH Mother's Club To Hold Whist Tuesday

All whist players are invited to attend the Our Lady of Perpetual Help Mother's Club whist party Tuesday, September 5.

The dessert-whist will be held in the auditorium of the school. Dessert will be served at 1 p.m., and the game will get underway at 1:30.

Mrs. Catherine Ricci is chairman for the whist, assisted by Mrs. Esther Nolan as refreshment chairman.

Underground Garages Approved For S. F.

The San Francisco Parking Authority has approved plans for underground garages beneath St. Mary's Square at the Civic Center Plaza, it was reported this week.

Two sites north and two south of Market street will be investigated as possible locations for other public parking projects. Bids will be called for next month for the 440-car St. Mary's Square Garage, but bids for the Civic Center Plaza project will not be sought until engineering studies are completed.

Californians average almost twice as much time in outdoor sports and recreation as do residents of other states.

Oratorio Society To Hold Rehearsal

Rehearsals of the San Francisco Oratorio Society will resume Tuesday, September 5, Claude A. Ward, director, said today.

The rehearsals are held at 7:30 p.m. at Trinity Methodist church, Market and Sixteenth streets.

New members are welcome to take part in the first rehearsal.

BAYSHORE VISITACION VALLEY

By Bernice Hendryx JUniper 4-6449

Put on your boxing gloves neighbors. We have another election in the near future.

Harold Salsberry, present assessor of our sanitary board, has declared that he will go up for re-election for the coming term. Jim Mills and Frank Silva will run for the job. The work involved is primarily that of checking the financial records of the board from this end, and then checking with the county office to see if the figures tally as they should.

Two other elections on our Sanitary board are coming up September 18. Jimmie Throne and Lonnie Higgins will run against incumbents Anthony Beckall and Vincent Moriss for seats on the board.

In all probability, this election will be just as hot fought a deal as others we have seen here recently. Make reservations for your ringside seats early. All I want to know is, who's gonna be referee?

Finally found out what one of the businesses is going to be in the new stores next to Scat's Market. A dry goods shop is going in, so we hear, carrying yardage, clothing, hosiery, etc. Hurrah, hurrah! Just a few more things we can get here, without hitching up the horse and buggy for a trip downtown.

Speaking of business and stuff, we are also going to have another restaurant. A rather famous old place, mentioned recently in Herb Caen's column, is moving. The Old Crab Shack, at the corner of Bayshore and Silver avenue, is moving up above the Players Club. Eddie, long-time owner of the Shack, says he hopes to be open for business soon after October 1. Sea food specialty, with a working man's dinner thrown in. Sounds good.

Reverend Widenham and family are home after a three-week vacation in Yellowstone and around. Only bad feature was that it wasn't long enough.

More returning vacationers are the Earl Frank family. They spent a week at Feather River. Earl says he tried everything in the book, but just couldn't catch any fish. Maybe with all this talk about education, the fish are getting smarter. If you tried everything in the book Earl, then maybe somebody will have to write a new book, yes?

The Baptist Church will have its Sunday school picnic on Labor Day. Come one, come all, and have fun.

Experience

Mrs. Verna Chittum, a widow with two children, had a rather unpleasant experience a few evenings ago. Mrs. Chittum was sitting in her Rio Verde street home sometime after eleven in the evening. She went to the window, and while she stood there, a young fellow came up the street. He paused in front of the house, and after a moment, started up the walk. Mrs. Chittum said that for some reason, she didn't open the door when he knocked, but opened the small peep hole in the door. She saw that the boy had been drinking, and asked him what he wanted. He used bad language, and was determined to enter the house. Mrs. Chittum rushed to the phone and called the sheriff's office. When they arrived, the boy had disappeared, and after combing the neighborhood, they reported he couldn't be found, but that a close check was being kept.

Seems as though this area has had more than its share of this sort of thing lately, lots of it that doesn't make the papers. Keep your eyes open folks, and report anything suspicious to the police immediately. Vigilance on our part may put a stop to this sort of thing around here. It is beginning to alarm many of the women here, particularly those who must be home alone in the evenings. We don't look for trouble like that in our neighborhood, so be a little more careful until this can be cleared up.

Dance

The Mr. and Mrs. dance went off on schedule last Saturday night, amid much laughter and gaiety. They drew prizes that consisted mostly of school supplies, pencils, copybooks, etc. and the crowd loved it. Short dresses and pigtails were the rule, and some of the men appeared in some really startling back-to-school get-ups, but then, it's been a long time since we have been back to school.

There was other merrymaking in the valley last Saturday night. Mrs. Betty Grasso, of 285 Rio Verde, gave a farewell party for her mother, who is leaving shortly for England. Friends and neighbors made a good-sized crowd, and bon voyage was the order of the evening.

Finally found out who bought E. H. Megel's home at 3171 Geneva. None other than Tade O'Reilly, part-owner of the Geneva Club, at Geneva and Rio Verde. Glad to see Tade move into the district. Welcome, son, our fight has become your fight.

All of us in Bayshore send our heartfelt condolences to William Doggett of 271 Rio Verde. His wife Doris passed away August 24.

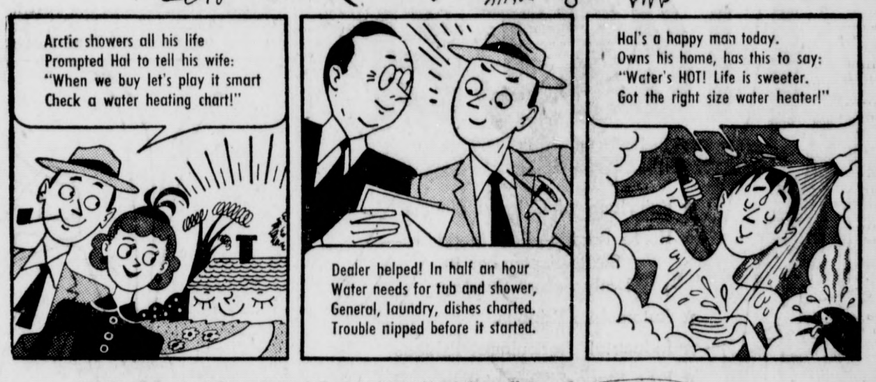
"What this house needs is a BIGGER water heater!"



Arctic showers all his life
Prompted Hal to tell his wife:
"When we buy let's play it smart
Check a water heating chart!"
Dealer helped! In half an hour
Water needs for tub and shower,
General, laundry, dishes charted.
Trouble nipped before it started.
Hal's a happy man today.
Owns his home, has this to say:
"Water's HOT! Life is sweeter.
Got the right size water heater!"

Building? Buying? Remodeling? Or Just Plain Need More Hot Water? New Gas Water Heaters are now better insulated, more efficient, more attractive and more economical than ever. Now's the time to install an adequate heater. Here's a chart to help determine your needs:

Bathrooms	1	1	2	2	3	3 or 4
Bedrooms	1 or 2	3 or 4	2 or 3	4 or 5	3	4 or 5
Gallons Needed	30	40	40	50	50	75

Northern Californians pay less to operate their Gas Water Heaters because P. G. and E. rates are among the lowest in the nation. Gas and Electricity take only 3¢ of a household dollar! See your dealer today!

SPORTS

One Up, One Down For Sarto Teams

While Sarto's came through with a win last week, Sarto A.C. wasn't so lucky, dropping a game to New Pisa Restaurant 4 to 3.

The Fillmore Merchants were the victims of Sarto's, going down to a 7 to 4 defeat. Pitching for Sarto's was Bill Rainey, who allowed 10 hits.

Tito Sarto allowed the same number of hits when he was pitching for Sarto's A.C., but the New Pisa lads weren't impressed and came through with a victory.

This Sunday Sarto A.C. meets the Millbrae A.C. at 2:15 in Millbrae.

Wedding Bells Ring In Mossi Baseball Victory

Marriage appears to be agreeing with Don Mossi, or at least his pitching arm.

Last Sunday the former Daly City pitcher was married to Eunice Bedford on the baseball diamond in Bakersfield. Officiating at the wedding was the preacher and a crowd of several thousand who had come to see Mossi hitched . . . and incidentally to watch him leave his bride after the wedding to pitch a game against the San Jose nine, for the Bakersfield team.

Odds for a Mossi win before the game were mighty slim. After all, the old married men reasoned, how could even a star like Mossi stand up against a strong baseball team when the moment before he had stepped into the bonds of matrimony.

Well, by the eighth inning the skeptics had shrunk down into their respective seats and were eyeing Mossi with dismay and wonder. Not only was he beating the San Jose lads, but until the eighth he was pitching a no-hit game.

On the side lines his bride of only a few minutes before was beaming happily and encouraging her husband to bigger and greater things.

At this point the "Deacon" stepped in and leveled things off. The "Deacon" is Walter Cluff, pitcher for the San Jose team.

Mossi just couldn't stand up against two deacons for more than eight innings, and he allowed a runner to score.

However, the final score was far from unimpressive. During his first hours of married life Mossi had allowed but one run, and two hits. Final score was 13 to 1 in favor of Bakersfield.

Today Mr. and Mrs. Mossi are enjoying a honeymoon, safe in the knowledge that Mossi soon will be seeing the big leagues.

Lions Give Timer Clock To Jefferson High

Thanks to the Daly City Lions, there will be an official timer clock at Jefferson High school football games this fall.

The mobile clock has been ordered by the Lions, and probably will be received in time for the coming games. It is the standard type of instrument, but will be small enough to allow to take it down and put it up after and before games.

THESE ARE THE FISH THAT DIDN'T GET AWAY

Jimmy Fox, right, who each week writes about fishing and hunting in this paper, displays, with Ed Nenstiel, that his theories are often put into practice. Here the two gents show some of the beautiful rainbow trout they recently caught on the Feather River at Camp Laymen near Blairsden. These fish range in size from 10 inches to 16 inches, and the large one weighs in at about 2 pounds. By the by, if you want any further information on fishing see Jimmy at Roos Brothers Sportsman Shop. He's now in charge of their fishing tackle department.

Hatchel Whiffs 14 As DC Red Sox Win

By George McLeod Jr.

Scoring two runs in the first inning, the Daly City Red Sox went on to beat the Lucia All-Stars 3 to 1 last Sunday morning at Marchbanks Park.

The win was the sixth straight victory for the Daly City lads, who have yet to taste defeat.

Pitcher Jim Hatchel made his first start for the Red Sox, and what a start it was! Jim struck out 14 of the 24 batters he faced, gave up three hits, and only allowed two balls to get out of the infield. He also clouted a triple in three times at bat.

The hitting star of the day was Red Sox first baseman John Robinson, who hit two singles and scored twice.

After six games the leading Red Sox hitters are: Izzy Galente, .500; Murphy, .428; Ray Rosa, .411; John Madden, .375, and John Robinson, .357.

If the Sox continue their good hitting and great pitching they will be heard to beat and will add many more victories to their already impressive record.

So, if you want to see some good baseball played with hustle and a youthful vigor, come out and watch the Daly City Red Sox any Sunday morning at ten o'clock at Marchbanks Park.

Pezzola Returns To Take Part In Gelsi Win

Gelsi's Cavern nine came through for a comfortable 16 to 3 win over the Newell lads in San Bruno last Sunday.

Vince Voto held the pitching honors for Gelsi, nobly supported by Neil Pezzola, who was good for a home run (with one man on) and a single.

Other strong men of the batting battery included Harry Krohn, who got two for five, and Fred Lucia, who got three for five.

Incidentally, fans will remember that first baseman Pezzola has been off the field for over a month with a bad ankle. He seems to have lost none of his batting prowess.

This Sunday there will be no game due to the Labor Day holiday.

Jimmy Fox Now Heads Roos Bros. Tackle Department

Jimmy Fox, who writes Fish and Game Notes for the Daly City Record, has a new job today as head of the fishing tackle department for Roos Bros. sportsmen's shop.

The well-known Daly City sportsman is acquainted with all types of fishing from High Sierra trout to salmon trolling in the ocean. He is also generally accepted as an expert on striped bass and steelhead fishing.

As vice-president of the Daly City Rod and Gun Club, Jimmy is in a position to understand the problems of fishermen in Daly City and throughout the Bay area.

Jimmy also has logged valuable experience as a member of the California Huntsmen and Associated Sportsmen; vice-president of District Council No. 7 of the Associated Sportsmen of California; former member of the Daly City Rod and Gun Juniors, and organizer of the present Daly City Rod and Gun Club Junior Sportsmen.

With all this experience, Jimmy is in a good position to advise you on your fishing needs. Roos Bros. has the largest and finest sports shop in the west, and Jimmy is prepared to show you complete lines of all types of tackle, including: bait casting, fly casting, spinning, steelhead and salmon, striped bass and deep sea gear.

Drop in and say hello to Jimmy. Remember, he's now at Roos Bros. Sports Shop, Market and Stockton streets.

Sunday Games

10 A. M. — Daly City Red Sox vs. Lucia All Stars, Marchbanks Park.

2 P. M. — Sarto's vs. Park Presidio, Funston No. 2.

In sugar beet fields, transpiration accounts for about 95 per cent of the moisture loss from the soil.

Ralph's Drops Out Of Tourney

Three games and a broken bat last week knocked Ralph's cleaners out of the running in the 1950 men's state softball tournament.

Thursday evening the defending champion, Western Gravel of San Jose, polished off Ralph's by 6 to 2. With Bud Bosque fanning 11 batters, Western Gravel took advantage of five miscues to dispose of Ralph's. The winners picked up five runs in the third with the aid of only one hit.

Saturday night Ralph's came back to down the Stockton Elks 4 to 2.

But the payoff came Sunday at Redwood City when the Daly City team lost a game to Santa Rosa 4 to 3 because of a broken bat.

The score was all tied up in the seventh when a Santa Rosa man stepped to bat and connected with the ball to send it over the second baseman's head. At that second the bat broke, but it in no way hindered the effect of the hit.

This put Ralph's out of the running. However, they will have a chance for a better show in the South San Francisco tournament which opens Thursday, September 7. At that time Ralph's will take on the Rio Club of San Bruno at the South City field at 7 p.m.

Former Mustang Tackle To Play With Windbreakers

Big Bob Wyman, giant tackle for the Daly City Mustangs last season, has reported to the South San Francisco Windbreakers' training camp this week.

The 270-pound lineman has received his release from the Mustangs and will be able to play for the South Citians.

Wyman, a mailman by trade, has a lengthy record of grid experience which includes four years of high school ball, two years of service campaigning and a season with San Francisco City College and one with the Mustangs.

The beefy tackle will add some much needed weight to the Breaker forward wall. During the first week of scrimmages, Wyman's performances drew the attention of the coaching staff and the hundred of sideline watchers who attend each session.

Coach Leo Ferko, former all-coast guard for Stanford, is preparing his boys for their opener with the highly-touted San Jose Packers at the SJ Speedway on Sunday, September 17.

Allen's Horses Take First Prizes

Although he threw Eddy Allen for a broken jaw recently, 2½-year-old "Golden Age" redeemed himself August 18 when he took the grand championship for Palomino stallions in the Sonoma County Fair.

The beautiful palomino raised havoc with Allen two months ago when he threw him, broke his jaw and held up Allen's enjoyment of solid foods for many a week.

However, all was forgiven two weeks ago when the young stallion came through with the coveted fair award.

Still another of Eddy's horses, "Gharitez," took a prize as the best Arabian stallion in the San Rafael Fiesta last Sunday.

These were first showings for both of the horses, and it is remarkable that two such young horses should have come off with first prizes.

Eddy plans to enter both his stallions in the Grand National in Los Angeles this October and at the Cow Palace in November.

There's More Fish Than In '49

Things are picking up for albacore and white sea bass anglers off the California coast. Nearly three times more fish have been taken in 1950 than in the highest previous catch years.

The figures come from the marine laboratory of the California Division of Fish and Game, which compiles monthly reports from the operators of party fishing boats.

By July 1, this year's party boat anglers had landed a total of 15,540 white sea bass and 1,700 albacore. Previous highs were recorded in 1947 with 5,779 bass and 505 albacore; and in 1937, when 608 albacore were caught.

Marie's Place Switches Players

by Angelo Craviotto

While Marie's Place baseball nine were idle last week they nevertheless managed to pick up added strength through the addition of some new players.

Burton replaced Aldo Canepa in the pitching staff. Canepa, who has had a record of three wins and two losses, moved to the outer pastures.

Pitching for the semi-pro league of the Arkansas Panhandle League, Burton ran up a record of five wins and three losses. His batting average is .294.

Another member, Clarence Marrs, will alternate first base and outfield.

With this help Marie's Place may move from a dead standstill to victory.

This week the boys will be playing at Ocean View. Jack Allan will throw the first and Burton will make his debut in the second tilt. Donley will act as relief.

Until next week I'll see you at 6005 Mission.

REDUCE WITHOUT DIETING

BAD PERFORMANCE OF IGNITION SYSTEM

Much of the bad performance of an older car's ignition system, according to the National Automobile Club, is owing to the escape of electrical energy through spark plug cables that have become porous with the passage of time.

Try Super Service At Daly City's Super Service

Offering complete fall tune-up service for your car this week is the Daly City Super Service, 3356 San Jose avenue.

Joe Lewkowitz, genial manager of the station, says he has all his equipment in shape to handle one of the finest car services in Daly City.

"We've installed nothing but the latest types of machines and tools to really give you an A-1 job on any minor repairs," Joe said.

Assisting Joe are Vern (Smitty) Smith, whose years of experience qualify him as an expert mechanic, lube man, tune-up and carburetor man.

Also Frank Hitchner is a magician in his way. When Frank goes to work on a car you can be sure the finished result will pleasantly amaze you. He is an expert in all tune-up machinery, generator and starter service.

Joe also offers the finest brake service (he'll fix 'em while you wait) in Daly City.

These are but a few of the services offered by the Daly City Super Service. Come in today, and let the boys show you what can be done to make your car run like new again.

Happy Birthdays!

Harry, the "happy baker," wishes the following local residents the best of everything on their coming birthdays:

September 3: Wayne Giusti, 188 School street; Mrs. Viola Balistra, New Colma cafe.

September 4: Mrs. Bennie Picetti, 201 Price.

September 5: Robert McCahon, Rt. 1, Box 234, Colma.

September 6: Nancy Golobic, 1767 Sweetwood.

September 7: Sophie Guisti, 191 Moltke; Eva Biagini, 266 Hillcrest boulevard.

"Summer And Smoke" Playing At Geary Theatre

Tennesee Williams' "Summer and Smoke" starring Dorothy McGuire and John Ireland with Una Merkel, all in person, is now in the last days of its engagement at the Geary Theatre where the final matinee and evening performances will be given on Saturady, September 2, with a special Wednesday matinee, August 30.

The Actors' Company, composed of 9 stars is presenting this emotional play which has created great controversy regarding development of character and personality as brought about by different environments.

The impressionistic construction sets by Robert Tyler Lee, and the direction of James Neilson make this initial production by The Actors' Company a fine augury for future productions. It has received glowing praise from public and press alike.

Contractors Held For Electrocution Of Labor Foreman

Held to answer before Superior Court on a charge of manslaughter in the electrocution on June 9 of Nestor Bizcaini, were general contractor Arthur W. Baum, Superintendent Roy Stout, and craine operator E. C. Harden.

At the preliminary hearing in the Municipal Court in San Francisco, Judge Charles S. Peery this week denied a defense motion for dismissal. Charges were preferred by the Division of Industrial Safety, a State agency.

Bizcaini, a labor foreman, was electrocuted when a portion of the crane operated by Harden touched an 11,000-volt wire during the construction of a garage at Beach and Powell street, San Francisco.

In the past four years 89 workers have been electrocuted by mobile equipment coming into contact with overhead high-voltage lines. Every single one of these deaths could have been avoided by following California State Safety Orders, which prohibit placing equipment in a position where any portion of it may come within six feet of high-tension wire. The California Penal Code also specifically prohibits this practice, which is subject to prosecution, and for which there is no justification at any time.

"All such cases will be vigorously prosecuted from now on," says Alfred Del Carlo, deputy district attorney. "Human life is too precious to be risked because of any pressure in finishing a job."

EXPECT THE UNEXPECTED

Motorists who expect the unexpected, declares the National Automobile Club, keep themselves safe.

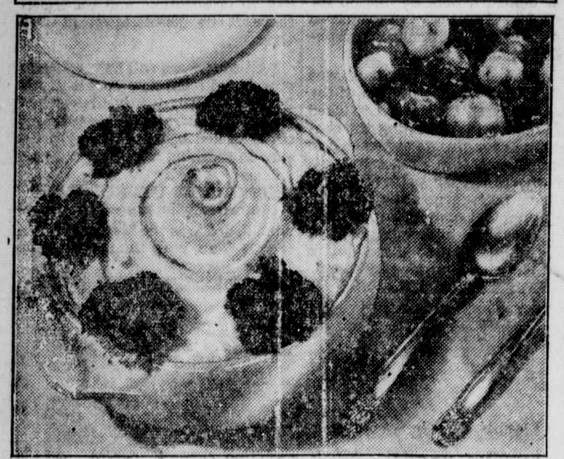
"BEST FOODS" SUGGESTS PICNICS

"Make It with Mayonnaise" For Extra Good Eating!



DOES ANY MEMBER of the family ever say: "Mashed potatoes again, Mother?" Of course the tone of voice indicates whether the question is one of happy anticipation or of slight boredom. If the latter, then it's time to give this trusted standby a taste-lifting variation, one packed with the flavor and interest that *real* mayonnaise always provides for any dish, hot or cold.

All over the country women are learning new ways to use good mayonnaise, how to bake and season with it as well as how to continue to use it in new kinds of salads and sandwich fillings. Especially popular is the widening field of "mayonnaise cookery" and—if this is new to you—an excellent way to begin is with a relatively simple dish like mashed potatoes, so easy to convert away from the commonplace by seasoning them with mayonnaise and adding a bit of decor in the way of a green vegetable. The delicately browned hint of a crust, gained by a brief session in a hot oven, adds the last touch to this really luxurious presentation of the humble potato.

Mayonnaise Potatoes

- 1 quart mashed potatoes
- Hot milk
- ½ cup Best Foods *Real* Mayonnaise
- 2 teaspoons minced onion
- 2 tablespoons chopped parsley
- 1 teaspoon salt
- Cooked broccoli

Mix left-over or fresh mashed potatoes with enough hot milk to become light and fluffy. Whip in *real* mayonnaise and seasonings. Turn into lightly greased casserole. Swirl top with spoon. Bake in hot oven (400° F.) 25 to 30 minutes or until delicately browned. Garnish with hot cooked broccoli. Serve with any meat. Yield: 6 portions.

Mayonnaise Muffins Will Make the Meal

HOMEMAKERS KNOW that when a meal bids fair to be a bit on the sketchy side, there's nothing like a plate of really delicious hot muffins to lift matters right out of the routine and into the special attraction class. "Soup and salad" will do for the rest, if only there are hot muffins. But they must be good—the kind that, once sampled, call for a second or even a third.

Muffins made with real mayonnaise, rich in egg and beautifully short, live up to and go beyond what anyone could ask in a fine hot bread to serve at breakfast, lunch or dinner. Those made by the recipe below are so good they may proudly be served, just with a beverage, as light refreshment for bridge or canasta guests or when people drop in of an evening. With milk they are a special treat when the children bring in their friends for an after school snack. Try them once and you'll make them often!

Mayonnaise Muffins

- 2 cups sifted flour
- 3 teaspoons baking powder
- ½ teaspoon salt
- 3 tablespoons sugar
- 2 teaspoons grated orange rind
- 1 teaspoon grated lemon rind
- ⅛ cup Best Foods *Real* Mayonnaise
- 1 cup milk
- 2 oranges
- Sugar

Sift flour, baking powder, salt and sugar. Combine orange and lemon rinds with mayonnaise and milk. Add to flour. Mix only until flour is moistened—mixture will be slightly lumpy. Fill lightly greased muffin cups ⅔ full. Peel oranges and cut into sections. Place a section of orange on top of each muffin and sprinkle with sugar. Bake in hot oven (400° F.) 15 to 20 minutes. Yield: 12 muffins.

TIME AGAIN TO EAT IN THE SUN

Weather-wise experts over the country seem pretty well agreed that "summer," in spite of what the calendar says, has arrived this year anywhere from four to six weeks later than usual. Somehow real out-of-door- weather just couldn't seem to come to stay, and folks kept clinging to closed rooms and artificial heat long after the scheduled time for shaking off the last of winter's confining shackles.

Perhaps all this accounts for an intensified revival of the old-fashioned picnic spirit sweeping over the country, now that hills and dales have dried off and a real summer sun is actually with us. Now people are in the mood to get OUT, the moment the day's work is done, and on every week end and holiday. Mothers whose children come home for lunch serve the youngsters on the terrace or in the garden. Eeating IS more fun, when you're out in the sun!

Picnic baskets have come out of attics, have been given a thorough scrubbing before being restocked with paper or plastic dishes, ditto forks and spoons, and LOTS of wonderful sandwiches and salads. Everywhere, in grocery stores, women are stocking up on extra and larger jars of real mayonnaise, to make all those sandwiches and salads as delicious as possible. Or, if a hamburger or fish fry is the order of the day, they're taking along the real mayonnaise jar to spread some of its contents over the meat patties or the fish to bring out all the flavor possible when broiling or slow pan frying takes place. In fact, when it's time to eat in the sun, as it is right now, there probably is no one staple so much in demand as the good real mayonnaise that seems to make so many foods taste better — wherever and however they're prepared and consumed!

GASOLINE WASTED

Driving at high engine speed in low or intermediate gear can easily double the amount of gasoline used, according to the California State Automobile Association.

S. M. County Fair Races Approved

Approval by the California Horse Racing Board of officials recommended for the San Mateo County Fair's five-day meeting at Bay Meadows September 9-14 was received today by Ralph C. MacArthur, a director of the fair association.

The officials approved are: Don Blair, presiding steward; Norris Royden, associate steward; George Murphy, steward representing the state; Ivan Thomas, racing secretary; Sid Swanson, starter; Charles Dougherty, Solly Tichner and C. E. Groves, placing judges, and Dr. O. A. Longley, veterinarian. Harold Dwyer will be the mutuel manager.

MacArthur stated he has made arrangements with the Southern Pacific for a special train to and from the track each racing day, leaving Third and Townsend in San Francisco at 12 noon and returning immediately after the last race. Post time for the first race will be 1 p.m.

Tree Farm Program Announced

Formal program for the dedication ceremonies at the Van Duzen Tree Farm, under auspices of the California Redwood Association, was announced this week.

The ceremonies Saturday, August 26, at the Hammond Grove, will mark the opening of the first redwood tree farm in forestry history, the Association reported.

Governor Earl Warren heads the list of distinguished speakers who will participate in the event and William S. Rosecrans, chairman of the State Board of Forestry, will make the address of welcome. Otis R. Johnson, president of the California Redwood Association, will present the Tree Farm Certificates to George B. McLeod, president of the Hammond Lumber Company.

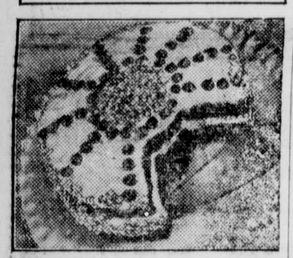
Inspection tours of the producing tree farm, comprising 21,000 acres of timber, will be under the supervision of a forester, and a logger's lunch will be served at the Grove. Several thousand visitors including top State and Federal forestry officials, are expected to attend.

AUTO TIRE THEFTS SHOW SHARP INCREASE

Tire thieves are increasing their activity, warns the California State Automobile Association. Reports received by police departments and the Automobile Association show a sharp rise in tire thefts during recent weeks. In many instances, automobiles have been driven or towed away and stripped of all tires and accessories.

The CSAA cautions against parking at night in alleys, on dark streets or in out-of-the-way places. Whenever you park, be sure to lock your car throughly, doors as well as ignition, and take the keys with you. It is also advisable to keep a record of your tire serial numbers so that, if stolen, they can be identified.

Make Company Cake with Real Mayonnaise



WANT TO BAKE a cake that's a real show piece? Perhaps it will be the main attraction for a party buffet. Perhaps special guests (whom you'd like to impress) are coming for dinner. Or it might be the birthday surprise for a member of the family. Whatever the occasion you can hardly do better than to serve one of the delicious new cakes made with *real* mayonnaise. These cakes have become conversation pieces in many communities. Some women like the rich, dark chocolate ones. Others prefer a recipe delicately flavored with extra lemon.

Here's a recipe, worked out after hundreds of tests by the makers of *real* mayonnaise, which delights the eye and the taste buds of all who see and sample it. A simple cake to put together, it calls for no eggs, for the mayonnaise itself is rich with egg, and shortening too—the same pure vegetable shortening you'd find in a fine margarine. Spicy and fruity and nutty, with just a little chocolate for a lovely color and added taste appeal, this wonderful cake will crown you queen of the kitchen each time you set it before your family or guests.

Mayonnaise Cake

- 1 cup quartered, pitted dates
- 1 cup chopped walnuts
- 1¼ cups boiling water
- 1 cup Best Foods *Real* Mayonnaise
- 1 cup sugar
- ½ square chocolate, melted
- 1 teaspoon vanilla
- 2 cups sifted flour
- 1 teaspoon baking soda
- 1 teaspoon cinnamon
- ½ teaspoon salt

Put dates and walnuts in a bowl. Pour water over them. Set to one side. Cream mayonnaise and sugar. Blend in chocolate and vanilla. Sift flour, soda, cinnamon and salt. Drain water from dates and walnuts. Add water and flour alternately to creamed mixture. Mix in the nuts and dates. Pour into a 9-inch loaf pan or two 8-inch layer cake pans which have been greased, the bottoms lined with waxed paper and paper greased. Bake in moderate oven (350° F.) 35 minutes for layer cake and 45 minutes for loaf cake. Cool and frost. Yield: One 9-inch loaf OR two 8-inch layers, OR one 12 by 8½" sheet cake.

George Washington was inaugurated as first president of the United States in New York City on April 30, 1789.

TB Patients To See Films

Following through on Christmas seal sale pledges for additional aids to San Mateo county tuberculosis patients, a new bi-monthly program of entertaining and educational motion pictures will be held for county sanitorium patients now temporarily housed in the Crystal Springs Home.

Popular and educational motion pictures will alternate on the programs to be projected for the patients, according to Dr. Katherine C. Smith, chairman of the special services committee. The movie program is additional to, and was recommended by, the new psychiatric clinical service for the benefit of tuberculosis patients. This service has also been recently added to the activities of the association.

The first movie was "Come to the Stable" and was thoroughly enjoyed by all of the patients. The sanatorium has its own committee of patients choosing the films they want to see. Christmas Seals have brought this pleasant evening to a group of our citizens isolated while taking the cure for tuberculosis.

SOUND YOUR HORN BEFORE PASSING

Sound your horn before cutting out to pass in traffic, urges the California State Automobile Association. Letting the other driver know your intention may prevent an accident.

Doctors Pledge Defense Service

The San Mateo County Medical Society has sent the following letter to the mayors of all incorporated communities in San Mateo county.

The Society, composed of 235 doctors practicing in San Mateo county, is desirous of playing a leading role in the development of local disaster programs particularly in light of the world situation.

Dear Mayor:

The Officers and Board of Directors of the San Mateo County Medical Society have instructed me to inform you that the 235 doctor members of the Medical Society stand ready to participate in any Disaster program or discussions thereon, in your community. This, of course, applies as well to the whole county when community programs become consolidated.

Doctor committees will be organized at your request and hold themselves in readiness to provide answers to medical problems, etc. or whatever else community disaster committees may demand of them.

Please feel free to contact this office for further information.

Respectfully yours,
Robert L. Wood Jr.
Executive Secretary

How to FIX-IT

BY HAROLD ARNETT

HANDY CLOTHESPINS

• A GLASS JAR ON CLOTHESLINE POST KEEPS PINS WHERE YOU CAN ALWAYS HAVE THEM HANDY.

Now's the time to start "dining out"—out in the sunshine or 'neath the shade. But be sure to let your grocer help you pick the right foods . . . the light foods . . . the cool foods.

Starting this week, grocers will be featuring Best Foods *Real* Mayonnaise and all the cool, appetizing summer dishes it complements so well—like cold cuts, tomatoes and greens . . . fresh fruit and canned salmon or tuna for salads . . . hard-cooked eggs with potato salad . . . rich jellied consommés . . . thin-sliced bread and lots of delicious fillers for "he-man" sandwiches. And always Best Foods *Real* Mayonnaise . . . to make every meal *complete*.

Picnics . . . Time for sandwiches! How about chopped ham and pickle, or chopped egg and onion? To make them really lip-smacking, spread bread and also "bind" these fillings with flavor-rich Best Foods.

Outdoor Dinners . . . Serve a hearty salad of chicken, meat or fish with Best Foods. *Real* Mayonnaise lends variety when you blend it with ketchup . . . mix it with olives . . . thin it with fruit juice.

Barbecues . . . For extra-good hamburgers, spread first with Best Foods, and grill. Then tuck into golden-brown buns that have been spread with Best Foods and toasted. They'll be a hit!

"EAT IN THE SUN" SALAD

- 1 8-oz. package elbow macaroni
- 1½ cups diced cooked ham
- 1¼ cups chopped celery
- 1 small green pepper, chopped
- 2 tablespoons chopped onion
- ½ cup stuffed olives, sliced
- ½ cup sweet pickles, diced
- ⅔ cup Best Foods *Real* Mayonnaise
- 2 tablespoons Best Foods Mustard-with-Horseradish
- 2 tablespoons lemon juice
- Salt and pepper to taste

Cook macaroni in boiling salted water until tender; drain and rinse with cold water. Add remaining ingredients; toss lightly to blend well. Chill well. Carry in a plastic or glass container, or a covered salad bowl. Serve with crisp lettuce leaves, garnish with deviled eggs and pimiento strips. Serves 6 to 8.

Good so many ways!

Petaluma Features Scotch Labor Day Fete September 4

Bagpipes will skirl and drums will roll; kilts and colorful tartans will flash in the sun on Labor Day, September 4, in Petaluma, the world's egg-basket city, as some 2500 Scotsmen compete in the 85th annual Scottish Gathering and Games of the Caledonian Club of San Francisco.

The thrilling all-day games will see the largest get-together of Scots in recent years, according to George Buchan, games secretary. Events start at 10 a.m. at Petaluma's Durst Field, and include novice piping and dancing competitions, track and field events, soccer tournaments, folk dancing and special events for men, women and children. Medals, cash and valuable trophies will be awarded.

For the first time in the long history of the games a ladies' Scottish Pipe Band will compete with the men's bands for the State Championship. This group, the Vancouver, B. C., Ladies' Pipe Band, with each member dressed in the tartan of her own clan, will also march in two San Francisco Centennial Celebration parades. Other bands competing are the Caledonian Pipe Band of San Francisco, the Cameronians of Sacramento, one from Los Angeles, and several others. The Scottish Pipe Band of the Sixth Army, San Francisco Presidio, will be the official band of the day.

The Caledonian Games had their beginning back in 1866, when a few stalwarts trundled a wheelbarrow load of weights to the sand hills of Hayes Valley, a present densely populated area of San Francisco, and there held the first competitions and dances.

Track and field events, under the auspices of the Pacific Association, A.A.U., are still open for entries, according to Buchan. These include 100, 220, 440, and 880 yard runs, broad jump, high jump, low hurdles, pole vault, 1 mile run and 6½ mile relay for men, and low hurdles and 440 yard relays for girls. Applications may be obtained from the Games Secratary, 408 Phelan Building, San Francisco.

J. S. Warrender will be chief of games for the Caledonian Club of San Francisco.

The Army's New 'Eager Beaver'

Here's a brand new Army Ordnance vehicle—the "Eager Beaver". The 2½-ton truck, now in full production at Reo Motors' plant in Lansing, Mich., is built for high speed on and off the highway, and is designed to operate normally in sub-zero cold, blistering heat, or with its Gold Comet engine completely submerged in water. Reo has been awarded contracts for approximately 8,900 of them at a cost of about $55,000,000. In the top panel, the "Eager Beaver" is shown "cruising" in Chesapeake Bay, Maryland.

Honest "Abe" May Be A Phony

Counterfeit $5 notes, bearing the picture of Abraham Lincoln, are now flooding the Bay area, the U. S. Treasury Department said today.

All business men and residents are asked to be especially careful when taking a $5 note. The phony bill may be identified:

1. To date all counterfeits of this issue bear serial number L75916875A. However, these serial numbers may be changed.

2. A large letter "L" in the round seal to the left of the portrait of Lincoln identifies the counterfeit as being a Federal Reserve Note on the Federal Reserve Bank of San Francisco. The counterfeit will have check letter "H" followed by tiny numerals "184," located in lower right hand corner of the note. Very small numerals "1817" indicate the back plate number and will be found in the lower right hand corner on the **back** of the counterfeit bill, inside the lathework (but not in the green lathework itself). This note will also read "Series of 1934C," in the lower face of the bill, to the right of the portrait of Lincoln.

If you receive a $5 note with **ALL** the characteristics noted herein, call the nearest police officer or deputy sheriff and also notify the U. S. Secret Service.

Do not return a counterfeit bill to the passer. Make an effort to detain anyone presenting a bogus note until an officer arrives. Obtain license number of auto used by passer.

SOCIAL SECURITY

Today, I have a message for all the wives whose husbands work in employment covered by the Social Security Act. The message is equally important to the widows whose husbands worked under social security. Many women do not know about the rights which were earned and paid for by the social security taxes deducted from the family breadwinner's weekly or monthly pay checks.

This tax (which is matched by the employer) pays for an insurance policy with the government. This policy is payable to you in case of your husband's death, if he had worked enough to be insured. If this should occur in your family, you should get in touch with our office. You may be eligible to receive cash benefit payments. These payments are of two kinds—monthly benefits and a lump-sum benefit.

To illustrate the two types of benefits, let me tell you of an actual case which was recently handled by our office. A lady, whom I'll call Mrs. Black, came into our office. She stated that her husband had been killed in an accident, and that she had been left with two children to support—age 8 and 10. Mrs. Black was very worried about the family's future. Her husband had carried only a small amount of insurance, and the funeral expenses had taken most of that.

We examined Mr. Black's record of earnings, and were able to inform Mrs. Black that she and the children were entitled to monthly payments of $52.50. If there had been no minor children, Mrs. Black would have received a lump-sum payment. At age 65, in addition, she would be entitled to monthly payments of $22.50 for the rest of her life, if she had not re-married.

SALMON ANGLERS HAVE LUCK

Salmon anglers were landing many large fish last week along the lower Klamath River, according to the National Automobile Club. Many of them were taking limits.

All Aliens Are Required To Register

More than 30,000 non-citizens have been processed in connection with the Alien Registration Act of 1940 since Attorney General McGrath's announcement of August 1, according to Bruce C. Barber, district director, Immigration and Naturalization Service.

Most of these represented previously registered aliens who had neglected to notify the Commissioner of Immigration and Naturalization of their change of address.

Barber issued a warning to all persons coming within the provisions of the law to comply immediately or risk prosecution and punishment.

He repeated earlier statements, saying that persons subject to the Act are:

1. Aliens who have been in the United States more than 29 days, unless regulations provide a later date. All such persons must arrange to be registered if required by the Alien Registration Act unless they have previously been registered.

2. Aliens **temporarily** in this country who are required to be registered must notify the Commissioner of Immigration and Naturalization, Washington, D. C., of their address every three months whether or not the address has changed.

3. Aliens who have been admitted for **permanent residence** must notify the Commissioner of any change of address or new address within five days of the change.

In discussing the flood of applications, inquiries, and so forth, already handled by his office, Barber pointed out: "Some aliens who had already registered in 1940, or subsequent to the inception of the Act, are under the impression that they must register again. This is not so. Those who once registered need only advise the Commissioner of Immigration and Naturalization at Washington, D. C., of any change in address. This, of course, must be done within five days, except aliens in the United States under a temporary immigration status must report their address every ninety days whether or not there has been a change.

"A penalty of thirty days imprisonment or $100 fine is provided for failure to make address reports. Special printed notices (Form AR-11) may be obtained for this purpose at any office of the Immigration and Naturalization Service or at any post office."

Various offices of the Immigration and Naturalization Service are prepared to register, fingerprint and give advice and assistance to those affected by the law.

The office in San Francisco is located at 630 Sansome street, YUkon 6-3111, Ext. 680 or 681.

Belle From I a France

Cecile Aubry, who is the latest find from La France, sets a new style in jewelry for the style-conscious American woman. Cecile herself inspired the original of the pin named the "black rose." It is now being made available through a special offer made through grocery stores. This unusual pin is fast becoming a collector's item in costume jewelry. It gets its name from Cecile's latest motion picture.

PUBLISHERS APPLAUD JOURNALISM EXPOSITION

C.N.P.A. Mailing Service

LARRY FREEMAN, president of the California Newspaper Publishers Association (co-sponsors of the Exposition) tells George A. Scott, president of the San Diego City and County Centennial Commission, that he has done a truly historic piece of work in presenting the Centennial Exposition of California Journalism as the main feature of the San Diego—California Centennial Celebration. To the right of the old press in the scene of the office of publication of the first newspaper in California, THE CALIFORNIAN, stands Joseph R. Knowland, Oakland publisher and chairman of the California Centennials Commission. The entire Celebration including the Library of Congress California Exhibit, and the Exhibit of Historic Art will be open free to the public through September 9.

Cancer Campaign Hailed A Success

This year's campaign of the American Cancer Society in California has been the most successful in the Society's history, according to a statement issued today by Harry D. Collier, well-known oil executive and civic leader who served as state chairman for the campaign.

"With $850,916 reported thus far, we are assured of approximately $860,000 by the time the campaign officially closes on August 31," Mr. Collier said. "This represents a 5% increase over last year's results."

Twenty-one counties have exceeded their quotas, and late reports are expected to swell the total to approximately thirty, Mr. Collier reported.

Pointing out that the campaign also served a vital educational function, Mr. Collier said, "Knowledge of the early symptoms can and does save lives. The annual drive not only provides the funds necessary for the American Cancer Society's cancer control program, but also spearheads the Society's year round assault on cancer through education of the public. This year, more Californians than ever before were given life-saving information about the early symptoms of the disease."

A total of 2,385,000 pieces of informational literature about cancer were distributed throughout the state, Mr. Collier said. In addition, cancer movies were shown to audiences numbering several hundred thousands, and speakers addressed several thousand meetings of service clubs, women's organizations, unions, and civic clubs.

Mr. Collier paid a warm tribute to newspapers, radio stations, theatres, and outdoor advertisers for their cooperation in the campaign. "All the media of information and communication gave generously of their facilities to carry the cancer story. Their fine support made the educational effort an outstanding success this year."

LARGE STRIPERS TAKEN

Striped bass anglers have been taking many large fish recently off Rodeo in Contra Costa county, according to the National Automobile Club.

What A Lucky Break For You!

ANDERSON JUST RECEIVED A CARLOAD OF FRIGIDAIRES!

YES -- HE ACTUALLY OBTAINED 61 REFRIGERATORS AND 10 WASHING MACHINES

The accompanying photo shows them adorning the front of the showrooms.

BETTER NOT DELAY GETTING IN ON THESE VERY LATEST MODELS FROM FRIGIDAIRE -- Stop in and look 'em over, anyway.

Social Security Payments, Coverage Increased By Amendment To Law

Here is what happened to old-age and survivors insurance in the San Mateo area this week when President Truman signed the 1950 amendments to the Social Security Act.

All monthly insurance checks now being paid to the 4200 social security beneficiaries in the county administered by the San Mateo field office will be raised substantially, beginning with the September checks, according to Edward J. Foley, manager of the local office. Foley explained that these automatic increases, for September, are scheduled to reach local beneficiaries during the first week of October.

Increases will range from about 50% to about 100%. For example, the average primary benefit of approximately $26 per month for a retired worker will be increased to about $46. A widow with two children who had been receiving $55 a month will now receive about $110 altogether.

Under the new law the amount of earnings which a beneficiary may make in a month, and still accept his insurance payment for that month, is raised from $14.99 to $50. This applies to beneficiaries under age 75, and for earnings in a job covered by social security. After attaining age 75, a beneficiary may have any amount of earnings and still accept his insurance checks.

Approximately 9,700,000 more people may have old-age and survivors insurance under the revised law. For most of the new groups, coverage will be mandatory after January 1, 1951. However, employees of nonprofit charitable, religious, and educational institutions will come under social security only if the employer chooses and if two-thirds of the employees express a wish to participate. Employees of State and local governments may have social security coverage on an optional basis but the State government must take the initiative if it chooses to participate. An estimated 2,050,000 workers are in the two groups subject to optional participation in the program.

A very important aspect of the new legislation is the more liberal qualifying conditions. Foley pointed out that any individual now 65 or more who has at least six "quarters of coverage" may be immediately eligible for monthly benefit payments.

Other persons not yet age 65—those now 63 and over — will also only need six quarters of coverage —roughly a year and a half of employment in work covered by social security — to be insured upon reaching age 65 and retiring. A sliding scale requires longer employment for those reaching age 65 after 1953, but in no case will a person be required to have more than ten years of employment under social security in order for benefits to be payable.

It is possible for newly-covered workers to become insured for survivors benefits in as little time as a year and a half under another provision of the law.

The new definition of "employee" in the amended law accounts for an additional 350,000 to be covered by social security. This new definition extends Federal insurance to full-time life insurance salesmen, agent-drivers or commission drivers engaged in distributing meat or bakery products, vegetables or fruit products, beverages (other than milk), or laundry or dry cleaning services. Full-time traveling or city salesmen (other than house-to-house salesman) are included.

Still excepted from social security coverage are farm operators, ministers and members of religious orders, and certain self-employed professional people.

A new type of payment is mothers' insurance benefits. These are monthly payments to a mother who has in her care a child entitled to monthly insurance benefits. Separation or divorce from the wage earner does not prevent the mother's receipt of monthly benefits, provided the wage earner was furnishing the greater part of her support. This changes the former law which did not permit payment to wives who were divorced, and did not permit payment to the wife of a retired wage earner until she reached age 65. If she has children under 18, she may now receive benefits when her husband retires, even if she is under 65.

Present tax rates will more than pay for the increased benefits at first, but higher contributions will be necessary as more people retire, or die. The law provides that employee and employer will pay 1½% of pay rolls through 1953, 2% until the end of 1959, 2½% until the end of 1964, 3% until the end of 1969, and 3¼% thereafter. Only the first $3,600 of wages in a year will be taxed. This represents an increase from the $3,000 wage base which has been in effect since 1937.

Self-employed people, who are in effect both employee and employer, will pay 2¼% through 1953, 3% until the end of 1959, 3¾% until the end of 1964, 4½% until the end of 1969, and 4⅞% thereafter, on the first $3,600 of net self-employment income per year.

TROUT FISHING GOOD

Trout fishing continued to be good last week along the Middle Fork of the Feather River in the Plumas county area, reports the National Automobile Club.

Drive Carefully Over Labor Day

If you are driving over the Labor Day week end, remember that the extra day creates an extra traffic hazard, warns the California State Automobile Association.

An outpouring of week-end travel that may exceed previous records is anticipated, in view of the increase in motor vehicle registration, combined with the fact that this is the last long week end before schools re-open.

Week-end attractions such as the California State Fair at Sacramento, the Statehood Centennial Celebration in San Francisco, and numerous community events, will also serve to augment the volume of traffic over that of normal week ends.

This means extra patience and caution will be the keynotes to traffic safety over this Saturday, Sunday and Labor Day, the CSAA points out. For traffic safety, motorists are urged to start early, to hold speed down to safe levels at all times, to keep constantly alert to traffic conditions and to the actions of other drivers, and to avoid taking any chances.

Apply Early For Officer Jobs

Do it now!

Get your application in early for one of those state civil service jobs as a state traffic officer. The salary range is between $281 and $341 a month.

The California Highway Patrol will be needing many men shortly and it urged those wishing to become members to get their applications in early. The deadline is September 8.

You may qualify for one of these desirable jobs if you are between 21 and 35 years old, have a high school education or equivalent, and can meet certain physical standards. Don't be disappointed because you filed your application too late, the Patrol urged.

Full information and applications may be obtained at the local department of employment office, or from the state personnel boards in Sacramento, San Francisco or Los Angeles.

HUNTERS HAVE LUCK

Deer hunters were enjoying some first-rate sport during the past few days throughout most of San Mateo county, according to the National Automobile Club. Many of them have been bagging large bucks.

Hunting, Fishing Trespass Book Now Available

Can a California landowner claim the fish or game caught by a trespasser?

Is public fishing permitted on all waters stocked by the State?

What is legally posted land?

Answers to these and many other timely questions on the State's trespass laws have been made available to California sportsmen by the Santa Anita Sportsmen's Club. J. B. Tietz, Los Angeles attorney, has put together laws and opinions from several sources under the title "Hunting and Fishing Trespass."

Copies of the pocket-sized booklet are sold by the Club secretary, Room 517 Douglas Building, 257 South Spring street, Los Angeles 12. Cost is three copies for one dollar.

According to the booklet, game surprised and killed by a trespasser belongs to the owner of the land. The old common law principle was upheld in 1897 by the California Supreme Court.

While it is the policy of the Fish and Game Commission not to stock waters that are posted or to permit stocking on any private property unless at least one third of the water is open to public fishing, the State is without recourse when private property is later closed to entry.

Legally posted property is defined as uncultivated or unenclosed lands where signs forbidding trespass are displayed at intervals not less than three to the mile along roads and exterior boundaries. Entering lands under cultivation or enclosed by fence for the purpose of hunting or fishing is a criminal trespass.

Among the booklet's contributors is Deputy Attorney General Ralph W. Scott, counsel for the California Fish and Game Commission.

SALMON FISHING GOOD

Salmon fishing has been good recently along the Sacramento River i nthe vicinity of Red Bluff in Tehama county, reports the National Automobile Club.

Nov. Draft Call Seen For Daly City

Approximately 443 San Mateo county men will be drafted in November, it is believed today.

The estimate is based on the assumption that the national draft for that month will be 50,000 men.

County draft quotas so far have been 167 men in August and 187 men in September.

Meanwhile, reserve calls continue to go out today to many San Mateo county men. Some 61 men from the Sixth army area will be affected by a call from Washington for 47,000 more army reservists by November 10.

Red Cross Chairman Goes Into "Action"

Called to "action" Saturday morning, Mrs. Marion McKaskle, Daly City's new Red Cross women's division chairman, had a part in the hospital ship disaster off of San Francisco.

'Joe Lewkowitz called Mrs. McKaskle and asked her to take Mrs. Curtis McMillan to her husband's bedside in Letterman General hospital. McMillan was one of the rescued navy men on the Benevolence.

Mrs. McKaskle was called to supply transportation. As she had no Red Cross vehicle, she used her own car. However, later she found that Mrs. McMillen, Castle and Third avenue, Colma, already had transportation. Mrs. McMillen also reported her husband had survived the sinking without any great injuries.

"I hope this will bring home to all of us the necessity of maintaining a strong Red Cross organization in Daly City," Mrs. McKaskle said.

She again called on volunteers to help with the Red Cross. To date she has received no replies.

Anyone interested in serving the Red Cross is asked to call Mrs. McKaskle at PL 5-2574.

Eleanor Cochran Named To Post

Eleanor Cochran today is the new conductress of Old Glory Auxiliary No. 2044, VFW.

She was chosen at the regular meeting Friday night to fill the position left vacant by Myra Heffron, who has moved to Oakland.

Also, Leona Kruithof was elected delegate to the Twelfth district, and Marie Gehrig was appointed as Color No. 4.

Visitors for the evening included: Ernestine Jones, president of Lt. L. C. Brunion Auxiliary No. 2421; Dora Casteberry of Hugh and Thomas Auxiliary No. 4236; Lillian Faber, past president of Gen. Jacob H. Smith Auxiliary No. 83.

Mrs. Faber, who also has been department musician, favored the group with her wonderful playing.

All the members are planning to atend the annual VFW day at Yontville Sunday, September 17.

Lions Complete Barbecue Plans

It's going to be a double holiday next week for the members of the Daly City Lions Club.

In addition to celebrating Labor Day, the lads will also take time off Wednesday, September 6, for their annual barbecue at Skippers Park.

Fine food, served up by Joe Belli, Ed Weisenburger and Elton McGraw, will be the principal reason for the barbecue. However, after the feed the Lions have planned an evening of dancing and entertainment.

"This is an event no red blooded Lion will want to miss," Gil Shaughnessy, president, said today.

Further information will be forthcoming at the Lions regular meeting Wednesday.

Impeartrice Tell Of Kaiser - Frazer Exhibits At Forthcoming State Fair

Along with something new in automobiles the Kaiser-Frazer Corporation is presenting an innovation in automotive exhibits at the California State Fair in Sacramento, August 31 through September 10, it was learned from Frank Impeartrice, of Impeartrice Motors, 7031 Mission street.

Everyone who attends the Fair will be able to see and ride in one of the 1951 models produced at Willow Run, Michigan.

In addition visitors will get their first look at the new "Henry J.," America's newest auto, just off the assembly lines.

Altogether, 11 cars will be on view — seven of them on a "proving ground" adjoining the K-F display in which visitors will be offered a ride with drivers.

The K-F Sales Pavilion housing the exhibit structurally resembling an inverted umbrella, is so unusual in design and function that Kaiser-Frazer has applied for patents and copyrights on it. Made of three tons of structural aluminum and 1,000 yards of red, white and blue waterproofed and fireproofed fabric, the pavilion is 60 feet in diameter.

Towering above the umbrella is a 46-foot tower supporting a giant aluminum "saucer" and an electrically-operated revolving sign, spelling out: "It's Here! — the Henry J."

The saucer is not an ornament designed to capitalize on flying saucer rumors. The K-F saucer, covering over the top center of the pavilion, is an innovation adopted to air-cool the exhibit, directing the flow of warm air out of the pavilion.

Manually operated vanes, which can be opened or closed for varying weather conditions, are also a new adaption. The mobile pavilion can be assembled or dismantled within 12 hours. It fits into two 35-foot trailers for quick evacuation to the next point of display.

Conceived by M. F. Harty, K-F sales promotion executive, the pavilion was designed by Brooks Stevens, of Milwaukee, the famous industrial designer. Stevens, who has designed everything from cigarette lighters to custom autos for Diana Lewis, the wife of film star William Powell, is best known for designing the Milwaukee Railroad's crack trains, the Olympian-Hiawathas.

The exhibit is one of five "traveling buildings" which are touring 28 states in covering the major 1950 state fairs. It is estimated that 16,000,000 persons will be given the opportunity to "see and ride" the cars in the Kaiser line from August, 1950, to February, 1951.

Nation To See Sequoia Hspt. Plan

Drawings and detailed plans of the Sequoia Hospital and the San Mateo County Tuberculosis Hospital will be viewed by architects from all over the nation at the American Hospital Association convention in Atlantic City next month, it was learned today.

Regarded as models of modern hospital architecture, the plans will be exhibited by Douglas Dacre Stone and Lou B. Mulloy of San Francisco, who created them as architects for the Sequoia Hospital District and for the San Mateo County Board of Supervisors.

The Hospital Association convention, to be held September 18 to 21, brings together medical, technical and administrative authorities from every State to exchange ideas and information on newest designs in hospital construction, and administrative and related problems.

Stone and Mulloy were appointed last week as chief architects for the new 150-bed hospital for the San Diego Hospital Association. The $2,800,000 project was financed by an $800,000 federal government grant, and the balance of the funds were locally raised.

AIR CICULATION

To prevent drowsiness while driving, keep air circulating in the car, advises the California State Automobile Association. Air vents and front ventilator windows provide good air circulation and it can be increased by opening both rear windows slightly.

FULL STOP DEMANDED

Motorists are reminded by the National Automobile Club that, regardless of the direction in which they are traveling, they must bring their cars to a full stop when meeting a school bus that is either loading or unloading passengers along the highway. School is soon to start and motorists should remember that children may be irresponsible. Motorists must not be.

Sebastian Viscanio entered and named Monterey Bay in 1602.
